

Canada

We offer the following assistance, free of charge:

Sourcing from Canada

One of Canada's 45,000 exporters and world-class research and development institutes may have exactly what you are looking for. With the help of our industry experts in Canada, we can introduce you to the Canadian organization best suited to meet your specific needs.

Building your business in Canada

Canada has one of the most advantageous business development climates in the world. We can help you develop your business in Canada by:

- introducing you to potential Canadian business partners;
- providing answers to your questions on potential investment projects; and
- facilitating science and technology partnerships with Canadian R&D professionals.

Networking with Canada

Canada sets the pace in many industries. We can introduce you to competitive Canadian companies by:

- finding Canadian firms that share your interests; and
- including you in our network of local contacts.
