

recognize the place of target shooters, for example or skeet shooters to come into Canada to participate in national and international competitions".

We in the B. C. Wildlife Federation are saddened by the fact that a Canadian Minister of Justice would reject putting non-residents through a regime that he is actively promoting putting Canadian citizens through. We are certain that foreign hunters, target shooters and skeet shooters will be pleased that Mr. Basford recognizes their place and position. We are just as certain, however, that Canadian hunters, target shooters and skeet shooters will continue to be displeased with Mr. Basford and his colleagues in government as long as they continue to fail to recognize the position and place of these lawful Canadians.

We trust the foregoing has indicated to this Committee that the B. C. Wildlife Federation is not irresponsible, dishonest, a liar or a participant in any fraudulent activities. We hope that those who have so charged us have the courtesy to retract their accusations.

SPECIFIC COMMENTS AND RECOMMENDATIONS AND SUGGESTED AMENDMENTS TO BILL C - 83

Sec 82.1 - Definitions:

- Delete the entire paragraph dealing with the definition of ammunition and replace it with the following:

"Ammunition means a metal, plastic, or paper tube or a combination thereof, containing a propellant charge, initiating or ignition device and one or more projectiles and is designed for use in a firearm."

Comment:

We see no useful purpose in classifying the various single
