

AN OPEN LETTER TO ALL POLITICAL CANDIDATES  
SEEKING ELECTION IN MONTREAL.

Dear Sir:

The enclosed are the proposals made by the Montreal Group for the Security of the People's Health to the various political parties in the coming election. We earnestly urge you to give them your deepest consideration for inclusion as a health plank on your platform. These proposals have been drawn up after considerable study by a large group of Montreal doctors, dentists, nurses, statisticians and Social Service Workers. Would you be good enough to send us a written reply in regard to these proposals.

We ask you to bring up the question of state responsibility for the maintenance of the People's Health in all your public meetings and addresses to the electorate, so that the medical, dental and nursing professions may know your stand in this tremendously important matter.

Very sincerely yours,

Norman Bethune.

Secretary,

Montreal Group for the Security  
of the People's Health.
