H.K.S. Heming, Esq.,
321 Bleury Street,
Montreal.

Dear Sir:-

With reference to your letter re an Association which is being formed in Montreal to provide free musical tuition to poor children of talent, in which were enclosed two tickets for a concert to introduce the idea, I have much pleasure in enclosing herewith my cheque for \$2.00 in payment for the tickets.

I wish you every success in your efforts and if possible will attend the concert.

Yours faithfully,

Principal.
