The Manager

Bank of Montreal,
Victoria, B.C.

Dear Sir:

Staff - Arthur Little - Resigned.

With reference to your letter of 2nd instant, we are now informed by Head Office that the staff of the Bank in the West at present is complete, and, as the result of the merging of our Branches at duplicating points and the possible closing of certain unprofitable offices from time to time, the Bank does not anticipate requiring to increase the staff. However, if conditions change at a later date warranting Mr. Little's reinstatement, we shall be glad to give his claims consideration, and his name will be kept before us.

Yours faithfully,

(Signed) W. H. Hogg,

Superintendent.
