### A RELIABLE FIRE AND LIFE INSURANCE AGENCY.

The question of insurance has become of vast importance to property-holders throughout the country ; it protects both the rich and poor and secures the results of their labors. One of the most reliable agencies in this section or even in Canada is that of Mr. Seneca Jones, whose office is located at No. 7 Hughson Street South. This agency was established many years ago, and to-day represents some of the strongest and most reliable companies.

In 1878 Mr. Jones established and organized the "Canadian Millers' Mutual Fire Insurance Co." This Company insures only the better class of flouring mills and their stocks, and the grain and flour in the warehouses, and elevators of mill-owners. Its growth has been rapid, and to-day is considered one of the strongest specialty Companies in the Dominion. All who transact business with Mr. Jones will find him honorable and fair in all dealings. Read his advertisement above.
