The Eminent American Educator

W. H. P. FAUNCE, D.D., LL.D.

President of Brown University. Author of  
"The Christian in the World," "Words and  
Works of God," "A Young Man's Diffi-  
culty With His Bible," "The  
Resurrection in Nature and  
Revelation," etc.

"I believe these books have done great  
good. I believe, in particular, that the  
volume 'What a Young Man Ought to  
Know' is one that deserves to be made  
accessible to thousands of young men.  
I heartily commend it."
