

"The call to service, to duty, to sacrifice, rings throughout the civilized world with a force not exceeded at any period in the world's history. Let us see to it that we fail not in this Dominion in this great crisis. Let us set an example of patriotism and devotion that will be held dear in every section of the great British Empire, and in every country lined up with us in the struggle for the freedom of the world."

Honor Roll

Tillsonburg and District
