**BUSINESS  
Opportunity!**

Having had placed with me for sale the extensive property known as the **Clarendon Iron Works**, at Wilmington, North Carolina, I, this winter, visited the same with a view of ascertaining its worth and putting it in market.

I found it to comprise a large three-story brick factory building, 50x100 ft.; complete engine and boiler room, with a 90 ft. chimney; a blacksmith or machine shop, 50x12½; laundry building, 50x50, with cover, oven, cupola, crane, etc.; frame two-story office building; brick store-house and other minor buildings; large grounds, with wharfrage on the Cape Fear river.

I secured the services of R. S. Radcliffe, an extensive builder and contractor, to appraise the same, and who pronounces it suitable for Cotton Mills, Iron Working, Wood Working, or, in fine, suitable for any manufacturing purposes. I procured photographs and plates of the property, and am now prepared to give intelligent information concerning it. I solicit correspondence with any parties who could use such property, and will try and negotiate either on a cash basis or in exchange for other property. A. W. LAWTON, Negotiator in Real Estate, Auburn, New York.
