CROP CRISIS REACHED MOVEMENT LIMITED

Recent Frosts in Northwestern Standard Railway Shares Neglected - Another Gain in Bank Reserves.

NEW YORK, June 12.—Dealings in stock market issues would have been more than significant had the moveage from heavy rains northwest had a good deal to do today with an advance in the value of wheat. The a good deal to do today with an advance in the value of wheat. The market closed strong at %c to 1%c above last night. Corn gained 1c to 1%c, oats finished unchanged to %c up and provisions down 2%c to 25c. For the first time this season anxiety as to the spring crop became the leading influence affecting the wheat the fact was generally and some common and preferred one of the obscure issues in the Guggerpheim group. leading influence affecting the wheat market. The fact was generally appreciated that the next few weeks would be a critical time in the spring wheat belt, and that excessive moisture formed an element of danger, especially as 12 hours downpour thruout Minnesota and the Dakotas was said to have followed almost daily rains since the beginning of May.

There was also a renewal of mis-

In the more direct war issues, Beth-lehem Steel preferred rose to the new high price of 119 1-2, with smart ad-vances in the common stock, New York Air Brake, General Electric and half a score of other industrial and cent frosts in the northwest. Most of the strength from these sources An Early Break.

Quite a severe break in the wheat market preceded the final bulge. An upward tendency at the start was for a while more than offset by percentage. showed itself in the last hour of the

rumors of European buying of new crop winter grades helped to bring early advantage.

The final dealings were enlivened by marked activity in American and Central Leather, which rose from 2 to 3 points, but the list as a whole about a rally.

Bulls controlled the corn ma ket from the outset. Adverse crop reports from Iowa and Nebraska were became increasingly irregular at the phasized by similar advices from

other states, notably from Missouri. Demand from the seaboard grew much In their bearing upon industrial con-ditions a new high export quotation more liberal and country offerings of 20 1-2c for copper of the best grade and a local rise in lead to 7c were the chief features of the session. More gold was received from Canada, making the return flow of the metal from all In oats the feature was selling pressure on the September delivery. Several big commission houses led the bear attack on that option. sources since Jan. 1 approximately \$100.000,000.

Actual bank loans expanded almost \$16,000,000 during the week, with a cash gain close to \$16,500,000, reserves increasing about \$8,900,000. Lower prices for hogs affected provisions. On the decline packers came to the support of lard and ribs,

Bonds were steady. Total sales, par value, \$1,385,000. United States bonds were unchang-

Minnig Market Exceedingly Dull With Public Interest at a Low Ebb.

Saturday morning's market on the Standard Exchange was exceedingly dull, with narrow price changes. Quotations in several issues were nominal, but selling orders in the active stocks concession. Dome sold high on the statement of earnings for May month. order division, selling at 69, or 31/4 above the last sale of a board lot. Final bid was 68, or 1 up. Steel of Brokers assert that a lack of public interest accounts for the present dul-ness, and that any revival in this direction would immediately mean a rebound in prices. Transactions in York Ont., should not be taken seriously, as a market is trying to sold at 160 3-4, or 3-4 up, and Belly Telephone was firm at 147. Total business, 1785 shares and \$3300 made for some of the shares.

ST. LAWRENCE MARKET.

There was a bumper market on the St. Lawrence on Saturday last; both the wagon and the basket section being crowded, but the the buyers were numerous, the supply of produce was so large that some lines were especially slow sale. Butter ranged from 35c down to 25c Butter ranged from 35c down to 25c per lb., the bulk going at 25c to 30c. New-laid eggs brought 25c to 28c per dozen, with a few going at 30c per dozen. Fowl was brought in in large quantities; some of the smaller ones, which were dressed well, bringing as high as 20c per lb., while the larger older ones went at 16c to 18c per lb.; last year's chickens brought 20c to 23c per lb., while spring chickens were so numerous and the demand so small, the price declined from 50c per lb. to 40c per lb., and even at that figure they dragged, looking as if they would close out much lower. The bulk of the spring ducks on sale were rather small, and so did not sell readily; the large ones weighing from four to four and a half pounds each, were being offered by the retail merchants on the market at 30c to 35c per lb., so one cannot wonder that the small ones only. BELLEVILLE, June 12.—There were 2160 white offered. Sales: 540 at 15½c, 770 at 157-16c, 490 at 155-16c. Balance refused 155-16c. offered as \$2,368,000; net time deposits, increase \$2,368,000; net time deposits, increase \$2,368,000; aggregate reserve, \$610,118,000; aggregate reserve, \$100; PERTH, Ont., June 12 .- At the dairy
