

The "reason why" in these Suits at \$15.00

THERE'S a purpose, ambition and zeal behind these clothes at \$15.00—they're not assembled with the idea of hoping you'll like them, but on the knowledge that you will like them.

WE spent weeks in their selection instead of days—we select slowly, carefully, painstakingly—we work on a "process of elimination" that leaves no residue of commonplace.
