MAYOR BROWN MAKES STRONG APPEAL TO CITY

Misrepresntation. Charging the prime minister with disrepresentation in stating that t had misrepresentation in stating that that always been the intention of the gov-ernment to submit reciprocity to the people, Mr. Borden gave the lie to the

premier's assertion by pointing out that a motion to that effect, intro-duced by himself, had been voted down in parliament at the instance of Sir NORTH TORONTO, Aug. 17.—(Spe-cial)—W th the vital question of annex-ation trembing in the balance and the frid in March last. The trade agreement, he went on, would be deleterious to Canada, be-

city council pledged to deal either one way or the other with the matter on Filday afternoon, The World to-night. cause the ultimate effect of reciprocity would be to have the Canadian tariff dictated at Washington, and Canada touch with the crucial question.

Nostrum Mr. Maclean's speech, which caused public are saved from political quack

o much amusement last night at Simery "And now that these two young Indian coe, was based, as he indicates, on the doctors have taken to the warpath and suggestion of Edward Farrar, succesare in active rebellion, denouncing the old doctor as a quack, two or three sively of The Mail and The Globe. Mr. other apprentices are being prepared for the healing mission, namely, Mr. Mac-Maclean spoke after Mr. Borden, as follows: kenzie King, of the Dutch settlement

"I hear, my friends, that there has bee up the river from here; Mr. George Gra-ham and Mr. Lemleux. Mr. Lemieux was sent to St. Hyacinthe, in Quebec, last around amongst you during the week one of those long-haired Indian doctors ofweek to scalp the rebellious young Indian fering you his celebrated big chief Indian loctors who are selling the Nationalist root bitters, as well as Dr. Taft's amaz-

ing Yankee pills for all your political "He called them all kinds of names, swindlers and ingrates, and charged them troubles. Before he left the town, I unwith offering bogus goods, not the real stuff at all; the result was that there derstand, he appointed Mr. Will Charlton as his local agent in these parts, from was such a row raised on the marketwhom the Yankee pills are to be had; and also that he read to you when he was bawling out his medicines, a testimonial that these pills had been taken by the at the Indian doctor business, had to retire from the field in much disorder. The Charltons for the past eighty years as names Henri and Armand called the old their only family medicine, and that the Indian doctor were something awful. medicine had never failed to do its work. Quack was the most modest.

"Now, this long-haired Indian doctor-"Mr. Graham, if he is well advised, and I am indebted for this most accurate will never try to succeed the old Indian description of Canada's prime minister to doctor. Mackenzle King would try any-thing except his own medicines. Dr. Bel-Mr. Ned Farrar-has been intermittently offering these medicines to the Canadian and, the new postmaster-general, is most public for a good many years-he was round 22 years ago with his commercial union mixture-and always presenting

either testimonials or living witnesses as to cures. Chaps like Dan McGillicuddy would turn up by pre-arranged acpresent moment he is giving the grain-growers of the Canadian west his cele-brated absent treatment, the object of which is to make them think he can put up the price of wheat hy his incenter. cident in the crowd on the market-place. when the long-haired Ind'an doctor was holding forth, and tender qu'te unsolici ed testimonial to the dope! But Dan isn't

any more a witness; the medicine thinned his blood and lost him his nerve. "Look also at other testimonials that the long-haired doctor presents. Look at Sir Alan Aylesworth, who has taken the Indian doctor's treatment, and while he has written three different testimonial as to complete recovery he has at last

had to make a final farewell. Templeman, of British Columbia, is following Aylesworth's footsteps. "I will say that the prime minister'

medicine certainly cured the Hon. Mr. Emmerson, of New Brunswick, one-time minister of railways. Hon, Clifford Sifton suddenly quit using the Laurier painkiller, and is now a sane and sound man, and I trust you will hear from him it this part of the country before long. Mr. in conversation with Mayor Brown. Brodeur has guit the Indian doctor's the ch.ef magistrate, came in very close on the bench. Tarte

and Blair never got over its peculiar

APPEAL MUST BE ANNEXED. With the hydro-electric contract in the position it stands at present in North Toronto, it is scarcely conceivable that any of the aldermen who care for the Speaks of His Years of Honinterests of the city in this con-nection will vote this afternoon orable Service, and Asks against the proposed annexa-tion of North Toronto. The ex-clusive franchise claimed by the Interurban Company, which is an alias for the Toronto Electric Quebec Not to Go Back on Him in His Old Age - Re-Light Company, makes it com-pulsory for the council to carry out the annexation in the interciprocity, Not the Navy, the
