No in, and the fish in the water therein. No lands within the boundaries of the said reserves are to be sold, or otherwise disposed of, or be located or settled upon and no person shall use or occupy any part of such lands, except under Dr. Perry. regulations prescribed by the Dominion government. The lands reserved will aggregate 6350 square miles.

make a strong case for the subsidy to be asked for the Ontario & Temiskam ing Railway built by the Province of Ontario.

Frank Oliver read the house a lecture this afternoon. He computed that it would require at least ten years to bring down all the returns and infor-maticn required from his department by members of the opposition. Mr. Monk (Jacques Cartier) said he was not surprised to hear it. Judging to matter the returns produced in the North

ville, Ont

At the meeting of the Astronomical new blood. Dr. Williams' Pink Pills Society last night a communication from the Lick Observatory officials at from the Lick Observatory officials at Frisco was read, stating that the earthquake had not damaged the in-struments at all, and that beyond a few slight cracks in the walls the few slight cracks in the walls the buildings had not suffered.

Williams' Pink Pills are sold by medi-cine dealers, or by mail at 50 cents John Dalton, O.L.S., has been ap-pointed municipal engineer, without the Dr. Williams' Medicine Co., Brock-

the afternoon. Altogether seven calls

were answered. Three of these were Savings Depart One Dollar before 4 o'clock in the morning, and are blamed on the two boys sent to It was thru the watchfulness of a JAMES MAS wide-awake fireman that the two young fellows were arrested. Charles Adamson of No. 1 Hook and Ladder Truck saw them on the other side of the street when the firemen were dering who was making the bonfires. He went to a policeman and pointed them out, remarking that they had W. H. UNDE been very close to the two other previous fires and would bear close ques-32 Carl tioning as to their recent movements. The officer took hold of them, with the result that they were taken to No. 4 station, and a few hours later were convicted and on their way to the Central Prison. One of them is well con-nected. They are credited with having sent in the three alarms from box 241, which stirred up a lot of residents ELLIOTT a shortly before 2 a.m. Importers 97K Frederic Nicholls, whose grounds the firemen entered about 7. o'clock, was out, "You work in extremely fast time.
