Was It a Cute Move to Create a Crisis to Tide Over the Interval Till the Rainy Season Begins?

Cape Town, July 25.—Advices have been received here confirming the report that President Kruger of the South African Republic has resigned.

**Says He's Still on Deck!**  
Pretoria, July 25.—Amicable relations between the Volksraad and President Kruger have been restored.

The conspiracy case against alleged ex-British officers had been withdrawn and the remaining prisoners were released to-day.

**Reports Are Conflicting.**  
London, July 25.—Reports regarding the resignation of President Kruger of the South African Republic are conflicting, but according to the best information, he actually resigned his office conditionally. The Volksraad will accept his resignation if it is not accepted by the British Government.

**Here's the Latest.**  
Cape Town, July 25.—It is understood that President Kruger has definitely abandoned the idea of resigning.

**DEGRADED LIKE DREYFUS.**

And When Taxed With the Charge He Was Unable to Deny It.

Paris, July 25.—Gen. de Negrier is disgraced. The decree ordering his degradation is dated July 25. It relieves Gen. de Negrier of his functions as a member of the Supreme Council of War. Among his duties was that of inspector of four army corps. The general was charged with the duty of inspecting the army, but he refused to do so, and was degraded for his failure to defend the army.

**Billy McKay is Doing Well.**  
Ottawa, July 25.—Mr. William McKay, who left Ottawa in March, 1888, to set up a law practice in Dawson City, arrived home to-day on a business trip. Mr. McKay has been decidedly successful while away.

**GRAPE-NUTS.**  
A New and Highly Nutritious Food.  
The odd sounding name is used to designate a peculiar food which is made of the shape of nuts, but having a pleasant, nutty flavor and crisp texture. It is made of a fine quality of wheat, and is easily digested. It is a most nutritious food, and is especially adapted for the young and the infirm. It is sold in small tins, and is very cheap.
