DIFFICULT TO GET A QUORUM IN HOT WEATHER

West Toronto Councillors Can't Get Together—Items of Interest From Suburbs.

WEST TORONTO, June 30.—The body of Harry Martin, aged 24 years, eldest son of Mr. and Mrs. S. G. Martin, 101 High Park-avenue, arrived this afternoon from Vermilion, Alta. Rev. Dr. Hazelwood will conduct a funeral service at the home to-morrow evening at 8 o'clock, and the remains will be taken on Thursday morning to Palmerston for interment. On account of the funeral service to-morrow evening there will be no prayer meeting in High Park-avenue Methodist Church.

The police court to-day somewhat resembled a society for the prevention of cruelty to animals. Poller and J. Henry were each fined 1 and costs for driving horses with sore on their shoulders. Wm. Near of Hallam-avenue, Toronto, was fined \$1 and costs for allowing his horses to be on the sidewalk.

A special meeting of the Collegiate Institute board will be held on Thursday evening to appoint an additional teacher for the staff.

The warm weather seems to be playing havoc with the committee meetings this week. Last night only one or two aldermen turned up for the scheduled meeting of the board of works, and to-night a quorum of the property committee could not be obtained, altho the tenders for the new fire hall were to have been opened.

Altho last year's dog license expired on May 1, there are many owners of dogs who have not yet got their licenses renewed, according to Chief of Police Flintoff. "The delinquents will be served with summonses to appear in police court. If the taxes are not forthcoming within the next few days," said the chief this evening. It was also officially stated that several teamsters who have not taken out licenses will be discussing matters with Police Magistrate Ellis before many moons have passed.

The annual high school exams commenced yesterday, and among those writing are six or seven candidates for matriculation in Toronto University.

To junior third—Noel Hainsworth, Violet Wildman, Emily Hoy, Hazel Hinch, Eva Armstrong, Edna Grainger, Roy Firstbrook, Wilfred Bredin, Barbara Hosack, Gladys Johnston, Helen Bredin, Rheta Berkeley, Kathleen Johnston, Her-

Mrs. (Rev.) N. Hill, widow of the late pastor, will vacate the parsonage to-morrow and Mr. Robinson will assume possession. Owing to the fact that the town council will appear to the Ontario Railway Commission re the neglect of the Metropolitan Railway Company to properly ballast their track, the company is again making another spasmodic effort by dumping a few carloads of coarse sand at the worst places of the track, in order to cover up their delinquencies. An executive committee meeting of the Ratepayers' Association will be held in the council chamber on Friday evening next, and a public meeting will be held in the town hall on Saturday evening next to discuss the two money bylaws to be voted upon on Saturday, July 25.

AGINCOURT.

Scarboro People Can Well Enjoy National Holiday in the Village.
AGINCOURT, June 30.—The Dominion Day sports, under the auspices of the Heather Football Club, promise a good afternoon's round of pleasure. The program is an excellent one and ensures something interesting all the time. The Heather Football Club are a good body of sports and well deserve all the support they may be accorded. Among the officials in charge of the athletic events at the Scarborough Old Boys' Historical Association were A. E. Purdie, M.L.A., R. Fugard, D. Purdie and Alex. Neilson. The name of Simpson Rennie, first vice-president, was inadvertently omitted.

DOVERCOURT.

DOVERCOURT, June 30.—Everything is in readiness for the opening of the four day fairs on the grounds of St. Edmund's Anglican Church, corner Day-sport and Dovercourt-roads, to-morrow (Wednesday). All the tents are erected, and at 1 o'clock Wednesday noon W. F. Maclean, M.P., will press the button and make the opening speech and the fair will be in full swing. Parents in this locality are not at all pleased with the action of the school board of S.S. No. 13 in compelling their children to attend school to-day and yesterday.

DOVERCOURT, June 30.—Prize-winners at the Davenport-road Presbyterian Church picnic at Credit Forks: Girls, 3 years—1, Florrie Brennan; 2, Evelyn Thorne; 3, Doris Burch; 4, Rose Black. Marathon, boys under 15—Fred McLeod, Gordon Urquhart, John Weir. The size of the crowd that attended the picnic surprised Dovercourt and everybody had a good time.

SCARBORO COUNCIL.

It is Sought to Reduce Number of Licenses One Half.
Reeve W. D. Annis presided over Monday's meeting of the council, with Deputy Reeve Paterson and Councillors Law, Green and Ormerod present. A wordy altercation between George Heron and J. Neilson was a feature of the meeting. Mr. Heron is a path-master and in the prosecution of his work a drain was cut into Mr. Neilson's farm, allowing more water to flow on the latter's farm. The whole matter will be referred to Engineer Gibson. Robert Cowan, Rev. Mr. Kerr and others appeared to urge that the maximum number of hotel licenses in Scarborough be limited to four, instead of eight, as at present. Only four were issued by the present license commission and it is sought to make this the maximum number. No action was taken. The Scarborough councillors chafed at the delay in preparing the agreement between Scarborough and York re the townline matter, and place the blame on the respective solicitors.

RICHMOND HILL.

Outing to Beaverton To-day is Expected to Depopulate the Village.
RICHMOND HILL, June 29.—Mr. Munroe of Brantford has been appointed manager of the Standard Bank at Maple to succeed Mr. E. Reesor, who is transferred to head office. The annual gathering of the Caseley family took place on Wednesday here at the home of Mr. and Mrs. John Caseley. While regretting the unavoidable absence of a number, some 55 took tea together. A. E. Coombs, principal of Newmarket High School and formerly pupil and later principal of our high school, has been appointed to preside at the departmental examinations here. Rev. Mr. Cockburn preached at the Presbyterian Church last Sunday. There will undoubtedly be a large turnout to the excursion to Beaverton on Wednesday, July 1, under the auspices of the Presbyterian Sunday School.

Rev. A. P. Brace went to Aurora during yesterday afternoon and addressed the Sunday school there in their annual patriotic address. Returning, preached here in the evening. Judge Morson decided yesterday that Alfred Worsley must return his coachman's livery to M. R. Gooderham, for whom he once worked. Judge Morson yesterday declined to accept a doctor's certificate, stating that Joseph Lyndon was not able to appear as defendant in a suit for \$25, and gave plaintiff judgment.
