A Singing Evangelist.

M. J. Fuicher conducted the Alexander Choir, and A. L. Burt presided at the piano. Gipsy Smith can do his own singing, which is an advantage he has over Dr. Torrey and some other evangelists, and he got some novel effects out of the congregation by dividfects out of the congregation by divid-ing them in half a dozen sections, and making them sing echo-like, as he pointed them out at random.

His singing of the tune "Glory for

Me" with new words, was thrillingly swee and impassioned. "Jesus loves me, Jesus loves me. Wonderful me, Jesus loves me. Wonderful things in the Bible I see. This is the dearest, that Jeusu loves me."
Gipsy Smith was assisted in the four services by Rev.Dr.Elmore Harris, who

"Let not a single woman leave by the front door," he directed the ushers.

"That breaks up the meeting," remarked Dr. Harris, in reproving tones.

"It breaks up the stiffness. It's necessary sometimes," said the missioner.

The Swimming Club Situation.

C. S. Norris writes: The association organized last week at Montreal will, no doubt, be a boon to swimmers.

The Canadian Amateur Swimming Association, with headquarters in Montreal, will now control swimming, diving and water polo. Altho the regulations governing these sports are not yet to hand, it is understood that water polo will be played as the English game, slight changes, perhaps, being made regarding fouls in handling the ball.

The rules for judging high and fancy diving will be those used at the Olympic games, the regulation heights, when possible, being, for springboards, three and ten feet, and stationary diving sixteen and thirty-three fest.

Swimming clubs will affiliate with this association, each club to be equally represented on the executive.

C. S. Norris of the Toronto Swimming Club was elected a vice-president of this association and will act as chairman on the committees of affiliated local clubs. A meeting will be shortly called of local swimming clubs, including Hamilton, Brantford and other towns with facilities for this sport, with the object of forming an Ontario Water Polo League when the arrangements for affiliation are complete.
