## Sahlin Perfect Form and Corset Combined

WE take great pleasure in introducing and recommending the "Sahlin" to Toronto ladies. The "Sahlin" is especially designed to produce the symmetrical lines and the graceful contour present styles demand; with perfect comfort and most healthful results. Slight and medium figures are especially benefited. A full chest, erect shoulders and tapering waist can, with comfort, be secured so well in no other way. You will be agreeably surprised at what this garment will accomplish. To keep the shoulders back and the chest forward becomes natural after wearing the "Sahlin."

It is made of fine light batiste, with high or medium bust and long or short front and back, and finished with lace and ribbon. We will hold a special showing and sale Tuesday. Call and consult our Miss Webber about the Sahlin. Our price is \$1.25.
