### HIGH SCORING IN CLASS A

Athenasiums Take All Three and Are Now Tied With the Brunswicks.

In the Class A, City League, last night the Athenasiums won three hard fought games from the Brunswicks and are now tied with the Brunswicks at the top of the league. Both teams were in great form, the Athenasiums leading 225, and every one of the six games were over the 300 mark. Barry Nolan was there with 400, finishing up with five strikes, giving him 237 for the last game and high average. The night Bill Karry was in great form, getting 222 the first game and 189 in both the second and third game. He had to double to win the game and "Bill" was there with the goods, getting three. The games were without doubt the best in the Class A League this year. Following are the scores:

OAKVILLE, WITH LAKE ONTARIO IN THE BACKGROUND.

# Tuxedo Park

## --Oakville--

WHAT has been known only as the abiding place of Toronto's wealthy and influential citizens is for the first time placed within the reach of the man of moderate means.

Tuxedo Park, Oakville, is located on the Grand Trunk Railway, midway between Toronto and Hamilton, on the shore of Lake Ontario. It is within 5 minutes' walk from the R. R. Station and is only 40 minutes from the city.

Fourteen trains per day make it as easily accessible as the outlying districts of Avenue Road Hill, Balm Beach, West Toronto, High Park or North Toronto, with the superior advantage of always getting a seat in comfortable, roomy coaches and not having to hang on to a strap in a crowded trolley-car at both ends of the day.

Commutation Tickets, issued by the G. T. R., make the problem of transportation an easy one. Every city convenience, except gas, is at hand.

The town will install a new fire-alarm system and the Government has appropriated \$10,000.00 for dredging the harbor to make it capable of handling the large Lake Steamers.

RESIDENCE AT TUXEDO PARK

### Facts About Oakville

On Lake Ontario, twenty-one miles from Toronto, fifteen miles from Hamilton. An ideal all-the-year-round residential town. All conveniences except gas. Splendid electric light service, good waterworks, well-equipped public and high schools, public library, churches, all-night telephone and excellent G.T.R. service. Commutation tickets—fare to Toronto 15 cents, students 6 cents. Reduced fare ten-trip tickets all the year round. Radial electric railway to Hamilton every hour. Boat service to Toronto and Hamilton promised at an early date. It is expected the Canadian Northern and Canadian Pacific Railways will be completed between Toronto and Hamilton, through Oakville, within a very short time, when railway communication will be still better.

## AGRICULTURE'S MINISTER GIVEN A BAKING OVER

Armstrong of Lambton Accuses Him of Breach of Trust Over British Cattle Embargo.

OTTAWA, April 15.—(Special.)—"A suffragette pudding along with toy propositions," was the tenor of the criticism bestowed upon Hon. Sydney Fisher to-day by J. E. Armstrong (East Lambton) before the agricultural estimates were proceeded with. Speaker after speaker took the minister of agriculture to task for the fact that the "Farmers' day" was considered of so little importance that it was put off until the dying hours of the session.

Hon. Sidney Fisher, explanatory of the work done by his department, said that wherever branch farms had been established, they had had a good influence upon the surrounding district. He had come to the conclusion that most good could be done by the establishment of small sub-stations and within

the last few days a site for one of these had been selected on the northern part of Saskatchewan. He hoped during the coming summer to select sites for five or six additional stations. More progress had been made in Canada in improving live stock, etc., than in the cultivation of the land, and it would be better to establish these sub-stations, which could be considered principally to the teaching of scientific land cultivation, than to establish fewer experimental farms on a larger scale.

### Cold Storage Facilities.

Had not conditions of transportation been improved by the efforts of the cold storage branch of the department, it would be quite impossible to handle the quantity of produce Canada has to send abroad now. These results had largely been brought about by a system of persuasive inspection, but in some cases by the power of coercion. Mr. Fisher noted that the work of the live stock branch had done much to improve the French-Canadian breeds of the cattle embargo in Great Britain. Mr. Fisher said the government had made repeated efforts to have it removed.

Dealing with the work of cow testing, Mr. Fisher said that much improvement had been effected and he hoped to see the day come when Canadian cows would give an average of seven thousand pounds of milk per year, as the cows of Denmark do, and not less than three thousand pounds, the general average now.

### Armstrong's Criticism.

Mr. Armstrong said that Mr. Fisher had been forced into every line of advancement by opposition members of

"Toronto's Drawing Room"  
The most delightful suburban sub-division ever opened up for home sites and offered to Toronto's citizens.

RESIDENCE ON LOT 3, TUXEDO PARK.

The Lots are 50 x 147; the land is high and dry, and level; the entire property is covered with an abundance of large and small fruits already bearing, including apples, pears, plums, blackberries, black and red raspberries, red and white currants, gooseberries and strawberries. The whole section is level and the streets, which are all boulevarded, are lined on either side with shade trees.

The Price for Lots in Tuxedo Park is from \$6 to \$10 per front foot on easy terms, titles guaranteed. Several fine houses have already been erected on the property, and more are being erected at the present time.

We have arranged for a big Visitors' Day at Tuxedo Park on Saturday, April 23. Special cars have been engaged, leaving Union Station, Toronto, at 2 p.m. We will furnish Transportation Free to any interested on application at our office.

Don't Delay if you want a home at this beautiful spot. Arrange to visit Tuxedo Park on Visitors' Day, April 23rd.

### NEWSBOYS' BENEFIT.

There was a large attendance at the benefit concert held in St. Andrew's Hall last night in aid of the Newsboys' Home. Ex-Mayor Oliver presided, and urged all present to attend the next concert, to be held at Massey Hall early in May. An excellent program was rendered by Harold Rich, pianist; Miss M. Scott, vocalist, who also danced Irish jig; Jones and Jones, in a comedy sketch; the Misses Shepley, instrumentalists; Miss Belle Thompson, soloist; Miss Corbett, vocalist; John A. Kelley, violinist. The Central Y.M.C.A. squad under W. W. Allison gave an excellent exhibition.
