### STABBED SIX TIMES

Uninvited Guest Was Given a Warm Reception.

HAMILTON, Aug. 15.—(Special)—This evening Acting Detective Barrett arrested Stanislaus Markis, 52 Imperial-street, Markis will be charged with aggravated assault on Frank Brogachon Saturday night, at a party in the foreign settlement. It is stated that the complainant was not invited to the party, but went, and in a dispute was stabbed six times.

The death took place this afternoon of Annie Birge, 21 years of age, daughter of William and Ms. Birge, 343 North Emerald-street. Bert Southern fell from the roof of 11 Emerald-street this afternoon and was taken to the city hospital, suffering from bruises and cuts.

The building committee of the library board held a special session this afternoon, and talked over the plans of the building with Architect Peene.

As a result of Miss Toole claiming that she paid \$100 on a house, with which she was not credited, E. Murphy was this evening locked up.

William Crichton, 122 Emerald-street, was found unconscious on Walnut-street this morning, and late this evening was still unconscious, and in a critical condition.

The police authorities are baffled by the sudden disappearance of John Brockbank, a young police officer. He left his home Friday afternoon, it is believed to go swimming. He had considerable money on him. His young English wife is left with an infant, who is very ill.

### STRUCK WIFE IN FACE

And Is Nabbed by Detectives; Who Were Nearby.

Herbert Foster, 55 Jarvis-street, disagreed with his wife at Queen and Yonge-streets last night. More than that, he struck her cruelly in the face with his fist. Then he ran and boarded a Queen-street car, but Detectives Guthrie and Murray, who chanced to be passing, also ran, with the result that Foster is in the cells, charged with assault.

William Wells, 189 Markham-street, commercial traveler, has been on remand from the police court since July 27, upon a charge of the abduction of his wife, on the understanding that he should go to work. He has not done so and yesterday he was re-arrested on the same charge by Detective Twigg.

### WALL COLLAPSED

Four Italians Instantly Killed at St. Lawrence Power Co.'s Works.

CORNWALL, Aug. 15.—(Special)—Four Italians were instantly killed and 15 or 20 men, mostly foreigners, were more or less injured by the collapse of a concrete wall at Cassena, N. Y., ten miles from here, this morning. The T. A. Gillespie Co. of New York City are building an extension of the St. Lawrence Power Co.'s power house and dam, and one of the concrete units, which were built hollow, was being filled with concrete when it burst, and the whole mass fell on the men who were working below.

Four of the injured were brought to the Hotel Dieu, Cornwall.

### FIVE BARN BURNED

Lightning Works Havoc Within a Few Miles from Berlin.

BERLIN, Aug. 15.—(Special)—Lightning caused heavy losses within a radius of a few miles of Berlin this evening. Almost simultaneously two big barns, within half a mile of each other, three miles east of here, were struck and totally destroyed with the whole season's crop. One belonged to David Thaler, and the other to A. Kinzie. The insurance will not nearly cover the loss. Anthony Matusch, near Freeport, fared still worse. His barn, crops, implements, eight horses and seven calves were burned. Loss partially covered by insurance. Mr. Rutherford's barn, near Strassburg, was also burned down.

### DRIVERS MAY STRIKE

Employees of George Lawrence Co. Threaten Walk Out.

As a result of a meeting in Alexandria Park last night, about 35 drivers for the George Lawrence Bakery Company, decided to strike this morning if in the meantime Mr. Lawrence does not give them an increase in wages of \$1.00 a week.

At present the men are getting \$9 a week, while drivers for other bakers they say, are getting as much as \$12. Restrictions which are put upon the drivers are another source of complaint. One is a fine of one cent for late in tickets, and another is a fine of 25c for complaints. "With other bakers," said one driver, "the credit goes into the office and fines are imposed. We sign a contract when we start to give no credit. If we do it is a personal matter. Some of us have done so to the extent of \$50 and \$75."

### KNIGHT CHALLENGE EXTENDED TO NOVEMBER

A Million Invested by a Canadian Automobile Manufacturer on Knight Motors.

It is announced by the Royal Automobile Club of Great Britain that the Delmore Company, England, have extended to Nov. 1 next their challenge to the automobile manufacturers of the world, to wager \$1250 against the performance of any automobile engine to equal in miles that of the Two Knight Motors, 38 horse power, and 23 horse power, in the famous test by the Royal Automobile Club, on April 7, 1909.

It will be recalled that this challenge was open to the world for three months in the year 1909. It was repeated by Mr. Charles Knight in his address in University Convocation Hall, Toronto, last January. The renewal of the challenge now should be an effective answer to all critics of the Knight Motors, if again there are not takers of the ordinary or valve type engines.

The challenge is of interest to Canadians by the fact that the Knight Motor is used in the Russell cars, made by the Canada Cycle and Motor Company. This company has invested a million dollars in Knight Motors for their 1911 models, and are doubling their output owing to the success of the Russell-Knight cars in 1910. It is pointed out that a large number of these cars have been sold already, for fall delivery.

### DR. ANDREW SMITH DEAD

#### End Came Yesterday Afternoon—Funeral Will Be Private

The death occurred yesterday afternoon, shortly before 5 o'clock, of Dr. Andrew Smith, F.R.C., V.S., announcement of whose critical condition was contained in yesterday's World. The doctor has been in low health for the past two months, and when several days ago hardening of the arteries developed, no hope was held out for his recovery. The immediate members of his family, his son, Dr. D. King Smith, 22 Wellesley-street, and his daughters, Mrs. A. D. Burritt and Mrs. Mc-Murray of Toronto, and his widow, had been with him continually since recovery was despaired of.

The funeral will take place from the residence, 311 Jarvis-street, on Wednesday afternoon at 2:30, and will be private. Interment will take place at Mount Pleasant Cemetery.

The following pen portrait of Dr. Smith appears in "Canadian Turf Recollections and Other Sketches," published last year by E. King Dods, the well-known turfman:

"He has for nearly half a century been a conspicuous figure in connection with turf affairs in this country. As an owner he was represented by many good horses; such sters as War Cry, Inspiration, Helen Bennett and Lady D'Arcy, at different times wore his colors, and it is scarcely necessary to add that the latter were always a favorite with the race-going public. Not only as an owner, but also as a racing official, the doctor has for many years been a central figure. As chairman of the executive committee of the Ontario Jockey Club, he has given both time and energy to the discharge of his duties, and his unselfish services have had much to do in building up the present prosperity of our premier racing association."

## "GRANDS" TO OPEN WITH A BIG MUSICAL PLAY

"In Panama" the First Offering at the Historic Play House—Monday Evening the Date.

The Grand, Toronto, widely known and popular playhouse, will open for the season on Monday, Aug. 23, and will continue the same policy which has met with public approval the past 11 years, under the direction of A. J. Small. During the vacation period several improvements have been made in the entrances to the auditorium, chief of which is the new flooring in both the outside and inside lobbies. The latest sanitary interlocking rubber tiling has been introduced, a special marble design giving the house one of the handsomest entrances of any theatre on the continent. While and gold predominate in the decorations, and the house, while the oldest in the city, is up-to-date in every respect.

A real summer show for summer time has been selected for the opening. It is the Broadway musical success, "In Panama," with the Klein Brothers playing the leading comedy parts, made famous by the Rogers Brothers. Ever since the initial performance at the Broadway Theatre, New York, crowded houses have greeted this attraction. The music is by Max Hoffman, and the book is by Sylvester Masoure and Aaron Hoffman, while the lyrics were furnished by Edward Madden.

During the season at the Grand the usual Wednesday and Saturday matinees will be given.

Seats for "In Panama" go on sale Thursday morning.

### At the Royal Alexandra

#### "Divorcees"

Not during the very successful season have the Percy Haswell players been seen to better advantage than in their presentation of "Divorcees" Sardou's satirical comedy. Sardou's "Divorcees" is a play-wright, the plot, slight in structure, but it develops admirable opportunities for the interpretative artists, and were fully seized on by the members of the Percy Haswell Company, who were included, in last night's cast. What makes their quality even more marked is the fact that "Divorcees" was an entirely new production, and yet in the deftness and daintiness of the handling, it should really have been the result of more than ten years' experience.

Sardou's comedy naturally reflects the French temperament, but in its English guise it retains its original interest. This is perhaps owing to the way in which French wit is translated into British humor, and to the dextrous way in which the transformation is effected.

French wit is always difficult, and seldom successful, but in the case of "Divorcees" the obstacle has been cleverly overcome.

### At Shea's

Mirth, Melody and Mystery. Mirth, melody and mystery is plenty at Shea's New Theatre this week. Earl Taylor, Harry Kranzman and A. B. White give a quarter-hour of rollicking songs with piano accompaniment. Then Howard and Howard, "The Thespian and the Hebrew Messenger Boy," are back with all that old patter that you can't resist, and a lot more besides. Their imitation of a violin and 'cello duo is wonderful.

Mrs. Eva Fay gives demonstrations of what is called "Follies of New York and Paris." Patrons of Burlesque Theatres have every reason to welcome Hurlie and Rogers, who have a new production of "Follies of New York and Paris," which will be the offering for the season's needs. A two-act musical comedy entitled "Night Life in Two Gay Cities," will be given.

The famous original "Scarcecrow Girls," as considered to be one of the most eccentric specialties; the "Eight English Roses," in their fantastic and bewildering dances and the Parisian Beauty Dolls are some of the features of the offering.

### At the Star

One of the best all-round burlesque shows is "The Ducklings," at the Star. The first burlesque, entitled "Oh, You Lemon," depicts the troubles of a gentleman who has a large and a want to make it larger in a hurry. The second burlesque is "The Ducklings."
