

By referring to the Treasurer's report, you will see that this year we have received a Parliamentary Grant of \$640; a City Council Grant, \$400; from the Corporation of Port Dalhousie, \$40; a legacy from the late John Cameron, Esq., Grafton, \$400; and another from the late Mr. John Lindsay, of Brockton, \$196; also a Grant from the Municipality of Clifton, \$25; \$13 collected by Mr. Pettigrew, who has always been a kind friend to the Home; and \$50 from the Relief Committee, of Guelph.

Children of all Protestant denominations are received into this Home, and all, except Roman Catholics, can obtain children for apprenticeship or adoption; therefore this Institution cannot be considered sectarian in its views of management. Gentlemen and ladies are earnestly requested to visit the Home at any time and record their opinions regarding it, whether favorable or otherwise, in a Visitor's Book kept for that purpose.

*Secretary.*
