## PRESBYTERIAN SYNOD CLOSED

(Continued from page 1)  
 \$360; New Waterford, \$400. Total \$360.

A committee on foreign missions was named as follows—G. A. Sutherland, convener; J. A. MacLellan, J. A. MacLellan, G. G. Forbes, E. H. Ramsay, W. P. Grant, J. D. McKay, T. Stewart, R. W. Ross, A. J. McDuff, J. A. MacKeigan, G. A. Grant, T. C. James, and A. W. Thompson.

In amendment to former motion Rev. W. H. Upham was made convener of the committee on Sabbath schools. The report of the synod fund was presented by Rev. A. D. Archibald, with recommendations as follows:—

"That the moderators of vacant congregations be asked to endeavor to secure a contribution from such congregations."  
 "That members of the synod leaving before Thursday at noon without permission be not entitled to benefit from the fund."

"That the synod allocation be \$2,410." An overture from the Presbytery of Halifax advocates the placing of the names of ministers permitted by the General Assembly to preach on the rolls of the Presbytery applying for them, as constituent members. This was approved and Revs. A. H. Foster and D. S. Fraser were appointed to present it to the General Assembly.

Rev. A. V. Morash presented a report on the overture re moving expenses of ministers, moving:—

"That the said overture be dropped."  
 "That the synod overture the General Assembly asking the repeal of the act providing for the moving expenses of ministers."

The recommendations were adopted. Rev. Mr. Girwood presented a resolution extending the hearty thanks of the synod to the session and managers of St. Andrew's church, to the organist and choir of St. Andrew's and St. David's, to the committee on arrangements, to the citizens of St. John for ready and generous hospitality, to the railways and steamship companies for the benefit of reduced rates, and the press for extended reports of the proceedings of synod; to W. C. Whittaker for postal facilities; to the Y.M.C.A. for use of their rooms. The motion was adopted with a demonstration of approval.

The moderator then addressed the synod thanking the members for their courtesy and assistance and the synod was formally adjourned, after prayer by Dr. Sedgewick, to meet in Truro on October, 1916.

## CHANGED TO OTTERPOOL

Q. M. S. Jennings Writes of 29th Battery, 8th Howitzer Brigade

A letter received yesterday by Mrs. P. Jennings of East St. John from her son, Q. M. S. Frank X. Jennings, said that his unit, the 29th Battery, 8th Howitzer Brigade, had shifted camp to Otterpool, Kent, where the 2nd Division Ammunition Column, part of which mobilized in St. John, had been stationed for a time.

"The column sailed for France on last Tuesday" he wrote on Sept. 18, "and I suppose are by this time hard at the actual work of waging war. There are three batteries of us here, the 29th, 30th and 31st, and the Brigade Ammunition Column. I was to have been Q. M. S. of the 29th, but was shifted to the senior battery yesterday. Part of our equipment of howitzers is here but as yet we have no horses—we expect them the first of the week. Just how long we will be here we cannot say, but as the instructors arrived today we will no doubt get down to work right at once, and six weeks is said to be sufficient for us in fairly good shape."  
 "The brigade is representative of nearly every province in Canada. We have both first and second contingent men, and some of the most recent Canadian arrivals. Sergeant-Major H. H. Mitchell is with the 29th Battery; Mr. McEachern, who came over with the 29th, is in the 29th; Major McKay is in charge of the 30th. The brigade commander is Lieut.-Col. King, who went to France with the first contingent of the D.S.G. He is a fine officer and we are looking forward to making good."

## TO BE MARRIED ON NEXT MONDAY IN WESTBROOK

The wedding of George M. Flood of the firm of J. Flood & Son, will take place on next Monday morning in the parish church in Westbrook. Mr. Flood, his bride being Miss Clara M. Theriault, a popular young woman of that place. Mrs. John Flood, mother of the prospective bridegroom, and his sister, Miss Lillian, accompanied by Miss Helen Hayler of Moncton, will leave today to attend the ceremony. George F. Cunningham, who will act as best man, and W. J. McMillan, will leave tomorrow night to attend. Miss Dora Dame of Westbrook, will assist the bride.

Following the ceremony which will be performed in the parish church by Rev. A. A. Hamel, the bride and groom will leave on a honeymoon trip to New York, returning to St. John in about two weeks, and taking up apartments for the winter in the Queen Hotel. Mr. Flood has been engaged in business with his father for some time, and enjoys the esteem of a wide circle of friends. Miss Theriault is popular with friends here, and both will have the best wishes of numerous friends for future happiness.

## SENT UP FOR TRIAL

The case against Andrew Bennett charged with wilfully destroying furniture in the home of Mrs. Mary Manson, 119 Market Place, West St. John, was continued in the police court this morning and the defendant was sent up for trial.

J. Starr Tait on behalf of the defendant called Mrs. Bennett and her daughter. Mrs. Bennett said her husband had been about the house on last Saturday evening, and later had accompanied her to a store. They went home and retired and her husband had not left the room until the following morning. The daughter told of accompanying her father to church Sunday morning and on their return seeing him remove a ladder from in front of the house. He thought it strange that the ladder was in that position and had removed it on account of it being in front of their window.

Mr. Tait delivered an eloquent plea for the dismissal of the case. The published statement that Mrs. Manson had accused the defendant of bringing an axe into her home and threatening to damage the household effects was erroneous. The evidence brought out that an axe had been found in a room where the defendant had been, but according to the plaintiff no threats were made.

## AN AUCTION INCIDENT

An interesting incident marked the close of the patriotic auction last evening. As the hour for closing arrived, Auctioneer Webber picked up a violin which is on sale, and the crowd prepared to bid. Instead, however, they received a surprise, and a very pleasant one. Tucking the instrument under his chin, Mr. Webber struck up the national anthem, playing it in a way which aroused general approval. He then asked the crowd to join in and God Save the King was sung with a heartiness appropriate to the occasion. At its conclusion three hearty cheers were given for Mr. Webber.

## A "National" Point of View

Mr. Manufacturer, when you figure out the profits of your sales force, do you take the force as a whole, or by individuals?

Don't you want to know whether Bill Jones is as good a salesman as Tom Brown?

Don't you eliminate the salesmen who do not hold up sales?

Why not consider your national advertising with the same point in view?

The minute you do you will be convinced that newspapers are the logical media.

And once you realize this you will get down to a business basis and know what pays and what does not.

Information helpful to manufacturers will be given on request to the Bureau of Advertising, American Newspaper Publishers Association, World Building, New York.
