## KERR PUT BRAKES ON BABE RUTH

Sluggish was Having a Record Week.

Now Has 23 Home Runs to Credit—McHenry Climbing Up on Hornsby for Leadership in the National League.

Chicago, June 18.—Babe Ruth and Dick Kerr, White Sox pitcher, share the honors in the American League averages released today, which includes games of Wednesday. The Babe broke all hitting records and Kerr stopped the mighty sluggers when he seemed on an endless home run streak.

Ruth shattered all records by driving out seven homers in five games, one establishing a new mark for distance, its estimated being 475 feet, and gathered enough shorter hits to bring his average from .348 to .375. This placed him well to the front in the players who have been in thirty or more games. Then he faced Kerr and his home run streak was broken. Ruth has twenty-three homers and was 16 days ahead of his last season's mark on Wednesday.

All the leaders of a week ago suffered slight batting slumps, except Ruth. Harry Heilmann of Detroit, continued to hold the lead with .421, while Tris Speaker, pilot of the Cleveland, world's champions, continued to be the runner-up with .414. Cobb is third with .394, while Sisler is trailing with .390.

The St. Louis man broke up the race for stolen base honors, which Rice and Harris of Washington, were having a week ago. Sisler has passed the pair and is leading with fourteen thefts. The Washington pair failed to add to their string and have a dozen each.

Other leading batters: Severoid, St. Louis, .382; Williams, St. Louis, .374; Ruth, New York, .375; Witt, Philadelphia, .367; R. Jones, Detroit, .360; Gharity, Washington, .358; E. Collins, Chicago, .353.

The National.  
A. McHenry, slugging outfielder of the St. Louis Cardinals, is making rapid strides toward the top in the National League batting race, and is pushing his team mate, Hornsby, for the lead. Hornsby suffered a slight slump and dropped from .424 a week ago to .416 which retires the lead for him. McHenry boosted his average from .382 to .401.

Mann and Fournier, two other Cardinals, went on a batting rampage for an average of .388, while the Frenchman advanced eight points to an average of .385, putting him in fourth place.

Emil Meusel, slugging Philadelphia outfielder, is topping the National League hitting list, with eleven home runs, having added one to his string during the past week. Max Carey, a fleet footed Pittsburgh outfielder is leading in old time form on the bases, and has snatched the lead from Frisch, of New York, the stolen bases, having a total of 18 to the New York's 15.

Other leading batters: Hargrave, Cincinnati, .368; Jones, New York, .364; Maranville, Pittsburgh, .358; Batters, Cincinnati, .357; Tierney, Pittsburgh, .352; Grimes, Chicago, .351; Miller, Philadelphia, .348; Johnson, Brooklyn, .346; Meusel, Philadelphia, .346; Sullivan, Chicago, .346.

New York, June 18.—Two base hits figured prominently in the major league contests yesterday. Nine were batted out in the first Detroit-Boston game, in which Cobb and Veach of the Tigers each made two. Six were divided evenly between the New York and Chicago National League clubs, and four were batted in the Philadelphia-Cincinnati game and the second Detroit-Boston contest.

Mike Menosky of the Boston Americans, celebrated Bunker Hill day yesterday. The outfielder scored seven of the eleven runs the Red Sox made in the double header—home run, two triples, a double and a single in six times at bat—and walked three times. His bat was partly responsible for the double defeat of Detroit, which has now lost seven straight games. Pitcher Ethuan of the Tigers was charged with the loss of both games. All the Boston National players made one or more hits in their shut-out victory over St. Louis. Home runs were made by Outfielder Rowell, who had four hits, and by Pitcher Fullington, who held the Cardinals to four hits.
