*Canada has no Pure Bedding Laws  
—but Simmons Limited has!*

**A** WOMAN orders a new mattress. She pays for a new mattress—and her dealer sells it to her in good faith.

But what she too often actually gets is a "made-over" product, stuffed with left-overs, odds and ends—all sorts of insanitary, even disease-ridden scraps.

For every responsible manufacturer—there are many who do not hesitate to slip in material "renovated" from old, dirty mattresses, or even mattresses discarded by hospitals and homes where there has been contagious disease.

This condition worries your dealer as much as it does you. For your protection and his own he is concentrating on *Simmons Mattresses*.

The Label of *Simmons Limited* is your assurance of a mattress built for sleep—of pure, clean, new cotton.

*Simmons Limited* makes this Unqualified Statement to every merchant who sells *Simmons Mattresses*

"Cut open any *Simmons* Mattress that comes into your store. If you do not find it up to specifications, or better—ship back every item of *Simmons* merchandise and never send us another order."

Each *Simmons* Mattress sealed in a carton roll in the *Simmons* sun-flooded work-rooms. Never opened until you open it in your own home.

Pure, clean, new cotton.  
Ticking of the best.

Stitching and tufting close, firm, uniform.  
A mattress resilient, luxurious. Built for sleep.

These fine, sanitary *Simmons* Mattresses are made in four styles, distinguished by Labels of different color.

Blue Label—\$35  
Red Label—\$25  
Green Label—\$19.50  
White Label—\$12.75
