THIS MORNING'S CASES IN THE POLICE COURT

William E. Miller charged with assault on John Bartley, was before Magistrate Ritchie this morning in the police court. The plaintiff in his evidence said that the defendant lived across the hall from him in the same house and that on Wednesday morning, August 27, he had gone down stairs on his way to work when the defendant called out to him asking him to come back. He replied that he had not time. The defendant, he said, then came down behind him, hit him on the back of the head, then on the neck, knocking him down. When he, Bartley, eventually reached the street, the defendant, he said, stood on the stairs calling names at him.

The defendant called the plaintiff a liar and said that he had witnessed to prove it. The magistrate ordered that the defendant be sent below. Arthur Bremner, who was arrested at 2:45 this morning by Detective Saunders at North Market street, charged with not being able to give a satisfactory account of himself, and also for having a bottle of liquor in his possession, caused considerable amusement in the court by his witty answers.

Detective Saunders gave evidence that he was in the lunch cart in North Market street, at 2:30 when the defendant entered, disturbing the people in there. The detective said he took him outside and the defendant told him that he had no home. Detective Saunders put him under arrest and took him to the police station where he found the bottle of liquor on the defendant. He said he had it merely for medicinal purposes. Bremner when asked by the magistrate where he obtained the liquor said that he got it at the foot of Mill street, but he could not remember who gave it to him.

The magistrate told him to go below but added that if he produced \$25, the amount of the fine, he would allow him to go. "I ain't got fifty-eight cents. Your Honor, let alone \$25," said the defendant.

"Give me a check then," said the magistrate. "Then I would get fifty-eight years," replied Bremner. He was remanded until tomorrow. The case against Philip Bushfan, charged with being intoxicated in the old burying ground, came up again this morning. John Gay gave evidence that there was no liquor in the crowd so far as he knew. Bushfan, when cross-examined by Detective Merrifield admitted that he had two drinks of lemon in his own cellar. The case was allowed to stand for the present.

HAPPY TIME AT THEIR WEDDING ANNIVERSARY

A very pleasant evening was spent at Camp Swastika, the summer home of Mr. and Mrs. Frank Hamm, Sandy point beach, on the Kennebecasis, on Tuesday, the 26th inst., when a large number of their friends from the city and elsewhere assembled to pay their respects in honor of the fifth anniversary of their marriage. A good number of dances were greatly enjoyed on the beautifully decorated pavilion of the Sand Point Beach Club, which was resplendent with flags, bunting and Chinese lanterns.

While the dancing was in progress a large bonfire was started on the beach directly in front of the pavilion, which illuminated it and delighted everybody. Refreshments were served in the characteristic Sandy Point Beach style, which, needless to say, is both sumptuous and delightful.

The party broke up in the early hours and the whole-hearted exclamations of everyone present testified to the popularity of the host and hostess and also was expressive of the pleasant evening spent.

GETTING READY FOR COMING OF WINTER SEASON

Tenders to be Called For Painting West End Warehouses and Repairs to Union Street Trestle—Still Waiting Word on Harbor Matters

A call for tenders for painting several of the city warehouses on the west side wharves and repairing the Union street trestle and also the repairing of No. 4 fire station by day work were recommended by the common council in committee this morning. There was some discussion of the harbor commission situation and the announcement was made that the city engineer is making a preliminary study of harbor surveys while awaiting the co-operation of the federal departments.

Mayor Hayes presided, and Commissioners Bullock, Thornton and Jones were present.

Mr. Bullock announced that the city warehouses Nos. 1, 2, 3, 4 and 6 wharves, west end, needed painting and that the work on the three first mentioned could not be delayed. His motion that tenders should be called for the work was adopted.

On Mr. Bullock's representation of the urgent need for repairs to the trestle work which forms the harbor side of Union street, west end, was authorized to call for tenders for this work also.

In reply to Mr. Thornton, the mayor explained the steps which had been taken to clear up the situation, preparatory to holding a plebiscite on the harbor commission plan. The council still is awaiting information regarding the status of the ferry under the co-operation of the federal department of public works in making a survey of the harbor area.

Mr. Bullock said that the engineer was today checking over with the resident public works engineer, the government plans and surveys in order to expedite the work.

The mayor added that it was impossible to hold the plebiscite until the government proposals had been put in more definite form.

On motion of Mr. Thornton, he was authorized to have repairs to No. 4 fire station, at an estimated cost of \$400, made by day work.

J. F. Belyea appeared to ask the council regarding the grants for aquatic sports and was informed that the total grant was \$1,000. Some necessary explanations were made to the comptroller.

ABOUT \$700 WORTH OF LIQUOR SIZED
It Was Being Brought Over Border From Quebec in Automobiles

For some time it is said the practice of bringing liquor across the border from Quebec into New Brunswick has been going on. Restigouche and Madawaska counties being the chief offenders. Rev. W. D. Wilson, chief license inspector for the province, returned to the city at noon today from Fredericton and said that efforts were being made to check this and to that end a seizure had been made two nights ago at St. Jacques.

The amount seized totalled about twenty cases of whiskey worth about \$700. It had been brought across the line in two automobiles. He thought the intention was to take it further, to get it across the bridge at St. Leonard's into Van Buren, Me., where better prices could be obtained than prevail on this side. In addition to prosecutions for this there had been cases in Restigouche within the last week wherein offenders under the act had been dealt with, the circumstances were not the same.

Maine's Governor Sends Letter of Appreciation For His Reception Here

Lieutenant-Governor Pugsley has received from the Governor of the State of Maine a very cordial letter of thanks for the attention shown him and his party during their visit to St. John. He expresses the feeling that it will assist in making the relations between the province and the neighboring state even more pleasant. The letter is as follows: State of Maine Executive Chamber, Augusta, August 25, 1919.

My Dear Governor Pugsley: I wish to express to you and through you to the people of New Brunswick my most cordial appreciation of the attention you showed the official party from Maine on the occasion of the visit of the Prince of Wales to St. John.

Not only was the occasion a pleasing one to me personally, but I cannot help feeling that, as a result of the additional evidences of good-will on the part of your province, the relations between New Brunswick and Maine will become even more cordial. I hope, at some time, to return your kindness.

Very sincerely yours,
CARL E. MILLIKEN.

The Perfection of the Dining Room

The creation of a certain impression in the dining-room is more important than the selection of any special style of furniture.

The atmosphere, the mental attitude is created, not by the magnificence of any one or of any series of furniture pieces, but by the good taste that is reflected in the complete ensemble.

What is a finer compliment to your guest than entertainment in a perfectly appointed dining-room, or what is a greater family influence in good breeding than perfect meal-time environment?

The perfection of the dining-room is an important responsibility, in the working out of which it is well to seek competent counsel.

This store places this counsel and co-operation at your disposal. While we show very unusual selections in furniture for the dining-room, priced to meet every price limitation, yet we regard the actual furniture as only "the means to the end." Whether your needs may involve the purchase of just some individual piece of furniture or the complete furnishing of your dining-room, it will be our pleasure and policy to see that your selection properly fits your needs and contributes most to the beauty of your dining-room.
