

## Little Girl Had Jaundice

(And All Treatments Failed to Arouse the Action of the Liver Until Dr. Chase's Kidney-Liver Pills Were Used)

Plympton, N. S., March 14.—This is a case in which the liver became sluggish and torpid and failed to filter the bile from the blood. As a result the complexion became yellow and muddy, the whites of the eyes discolored and the whole system poisoned by the accumulation of impurities.

Doctors were trying various medicines, but did not succeed in finding any effective treatment. Fortunately a friend advised the use of Dr. Chase's Kidney-Liver Pills, and cure was effected.

Mrs. Chas. E. Melancon, Plympton, N. S., writes: "My little girl was taken ill with jaundice in November, 1915, and we tried all kinds of medicines for her—doctors' medicines and others—but everything failed. I was advised by a friend to try Dr. Chase's Kidney-Liver Pills. I did so, and a few doses relieved her, while one box made a complete cure. I myself have used two boxes of Dr. Chase's Kidney-Liver Pills, and they have cured me of headache and nervous trouble. I would not do without them in my house now. I hope that this letter may be of benefit to other poor sufferers."

Here is another interesting letter from Plympton:

Mrs. Wm. H. Comeau, Plympton, N. S., writes: "I had been ailing for some time, suffering from a lame back. I had taken medicine for this trouble, but nothing helped until I started using Dr. Chase's Kidney-Liver Pills. In three months these pills completely cured me, and I have never been bothered with lame back since. I think Dr. Chase's Kidney-Liver Pills are the best made, and my husband is enthusiastic over them, too."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25c a box, at all dealers, or Edmondson, Bates & Co., Limited, Toronto. Look for the portrait and signature of A. W. Chase, M.D., on the box you buy.

Told By a Soldier.

A returned soldier tells this story: "I was in France and wanted a light for my cigarette. I spent ten minutes making signs to a Frenchman and when I got through with my wiggling he said in perfect good English, 'It's a match you want, isn't it?'—Washington Herald."

## THEY NEED IT ALL OVER THERE

Senator Colby, at Meeting Here, Urges Saving of Wheat — St. John People Respond

"Every time you people of St. John eat a piece of white bread, you deliberately stretch your hand across the sea and take it from the starving people over there. That is what you do, for there is great scarcity of wheat and if you eat it, someone else does without."

This was the startling intelligence that Senator Colby, of New Jersey, and member of the United States food commission, brought to the people of St. John at a crowded meeting in the assembly hall of the High School last evening.

The chairman was Hon. William Pugsley, the lieutenant-governor. There were present on the platform in addition to the chairman, Senator Colby and Mr. E. G. Jones, of the Canadian food board staff; Dr. H. S. Bridges, H. S. Culver, Mayor Hayes, Colonel McAvity, E. A. Schofield and W. J. S. Myers.

The speaker showed how Germany had strengthened herself by taking the Russian provinces; how the women and children of France and Belgium must suffer if we failed to send what they needed, and what it meant if the French troops learned that their women and children were facing famine. He urged every man and woman who had not already begun, to start tomorrow, to refuse to eat wheat bread, beef or pork, to observe the food control regulations, to stand behind the army in the field and do as much for them as they were doing for us. It was a reasonable, logical, impassioned appeal that could not fail to find its mark. His peroration filled his hearers with splendid resolutions for beginning self-denial for the sake of our great and noble cause without further delay.

E. G. Jones, of the Canada food board, followed with a short appeal, in the course of which he asserted that price regulation was at no time a part of the
