Sweeps Are Champions of City League

Clinched Leadership by Double Defeat of Ramblers Last Night — Challenge Winners of Five Men League

By winning both games with the Ramblers on Black's Alleys last night, the Sweeps lifted the championship for this season's City League series and now have a challenge out against the winners of the Five Men Team series for the championship of the city. Both games last evening were close, the Sweeps winning out by eleven and four pins respectively.

The scores were:

C. W. Masters, captain of the Sweeps, wishes to challenge the winners of the five-men tournament on Victoria alleys to a series of three games, one on Black's, one on Victoria alleys and the third to be arranged.

Notes of the Game.

R. Poshay, of the Sweeps, had the best average, 100, while the honors for the high single string of the evening went to Percy Howard, of the opposing team, with 111.

The Ramblers certainly put up a good score on the first string of their second game.

Each of the Sweeps received a solid leather club bag in recognition of his good work in the league games.

There should be some good going when the Sweeps and No. 5 team in the Five Men Team series meet.

On Victoria Alleys.

In the five-men league No. 6 team won from No. 8 last night, winning third prize. Chester Brown had the highest average with 98.2-3, followed closely by Simpson, of No. 6, with 96.1-3. It was a fact game all the way through. The first prize goes to No. 4 team, and the second to No. 1 team. Scores:

RING

Big Purse. Manager Bettinson of the National Sporting Club of London, Eng., at a banquet to Snowy Baker there the other day, showed how he felt about the boxers getting such big purses. He said the National Club would never pay boxers money that was out of all proportion to their worth. The N. S. C. would never run "circus shows." They wanted to occupy the same position in boxing that the cricket association occupied in cricket.

Baker explained his stand in giving such big money to the scrappers by saying that his hand was forced by the public. In the case of promoters it was, after all, he declared, a question of the survival of the fittest.

Smith-Langford Bout Off. London, May 1.—Because the home office indicated to the promoter its strong dislike of matches between white and negro pugilists, the projected fight between "Gunboat" Smith and Sam Langford, set for June 30, has been declared off.

Actors and High School.

By a score of eleven to three yesterday afternoon the actors of the Thompson-Woods Company went down to defeat a team from the High School. This will be nothing to what will happen when they meet the local Scrubs in a real baseball battle.

WRESTLING.

Allen Defeated. W. A. Mattson, a Finlander, defeated Charles Allen, alleged middleweight champion of Australia, in a wrestling match in Fredericton last evening for \$200 a side. Allen took the first fall with a Nelson in thirteen minutes and the second fall went to Mattson three minutes after the men were on the mat again. After a five minute rest the men went at it again and the Finlander scored his second fall in six minutes with a full Nelson. Dan McDonald refereed the match.

ville, as a result of alleged partiality on the part of the judges in the harness class, decided that unless Mr. Yeager, who refused to accept second prize in the high stepping contest, apologise, he will not be permitted to exhibit in future at Toronto horse shows. So far Mr. Yeager has made no apology.

The crowd at the armories tonight was fully up to the record attendance which has characterized the preceding days of the show.

An old citizen in a country village being asked for a subscription towards the fence of the graveyard, declined, saying—"I subscribed toward improving that burying ground nigh on to forty years ago, and my family hasn't had no benefit from it yet."

"Please don't bother to see me to the door!" pleaded the departing visitor. "Really, it's no bother at all," the hostess assured her. "It is a pleasure."

"SIXTY YEARS A QUEEN"

Magnificent Pictorial Epitome of the illustrious Reign of Victoria the Good

To the generation of today Victoria's serene reign has passed into history. There are, however, many yet living in this country, as well as abroad who had the rare privilege of seeing the face of Her Majesty, and almost as many heard her voice. This great film of "Sixty Years a Queen" now gives to those who have neither seen nor heard the Royal Sovereign, an opportunity to be brought to closer knowledge of some of her noble deeds. A pictorial can transmit what words cannot. Victoria lived for her country. By her life she showed the world the true meaning of feminine greatness.
