

STUNNING PLAID COSTUME

By Mme. Cecile Dillon

From Decol I brought home with me a stunning street costume of green and blue plaid for the skirt, which is plain in front but caught up at the waist in the back. Over this is a green dretulle coat double-breasted and closed with large, smoked, pearl buttons, black marfen fur about the neck and sleeves.

WORKS ALL DAY.

And Studies at Night on Grape-Nuts Food.

Some of the world's great men have worked during the day and studied evenings to fit themselves for greater things. But it requires a good constitution generally to do this. A man was able to keep it up with ease after he had learned the sustaining power of Grape-Nuts, although he had fallen in health before he changed his food supply. He says: "Three years ago I had a severe attack of stomach trouble which left me unable to eat anything but bread and water. The nervous strain at my office from 6 a. m. to 6 p. m. and improper foods caused my health to fall rapidly. Cereal and so-called 'foods' were tried without benefit until I saw Grape-Nuts mentioned in the paper. In hopeless desperation I tried this food and at once gained strength, fresh and appetite. I am now able to work all day at the office and study at night, without the nervous exhaustion that was usual before I tried Grape-Nuts. "It leaves me strengthened, refreshed, satisfied; nerves quieted and toned up; body and brain waste restored. I would have been a living skeleton, or more likely a dead one by this time, if it had not been for Grape-Nuts." Name given by Canadian Postum Co., Windsor, Ont. Read "The Road to Wellville" in page. The Orangemen, with the Sons of England Portland Lodge, No. 246, as their guests, turned out on their annual church parade yesterday afternoon. The lodge members assembled at the Orange hall in German street, at 2.30, and headed by the Sons of England Band, marched to Main street Baptist church, where the pastor, Rev. Dr. Hutchinson, preached. The following turned out, in order: Sons of England Band, Sons of England, Portland Lodge No. 246, "Prenchie" Boys, Carlton Cornet Band, Loyal Orange Lodge No. 141, Loyal Orange Lodge No. 7, Loyal Orange Lodge No. 11, District Lodge No. 24, County Lodge, St. Mary's Band. The church was well filled, and the audience was greatly interested in Dr. Hutchinson's sermon. The service was closed by the singing of God Save the King.

COMB SAGE TEA IN LIFELESS, GRAY HAIR

If Mixed With Sulphur it Darkens So Naturally Nobody Can Tell

Grandmother kept her hair beautifully darkened, glossy and abundant with brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Hair Remedy," you will get a large bottle of this old-time recipe ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural richness and beauty to the hair and is splendid for dandruff, dry, itchy scalp and falling hair. A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur, because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears after another application or two, it is restored to its natural color and looks glossy, soft and abundant.—Agent—Watson's 3 Stores.

BELIEVE CASTRO IS KILLED OR PRISONER

Search For Stormy Petrel of Venezuela Abandoned

MISSING FOR THREE MONTHS

One Theory is That He May Have Been Lost at Sea — Former Consul He is Dead

New York, Nov. 2.—After a vain search of three months for information regarding his whereabouts, the friends of General Cipriano Castro in this city are convinced that he is either dead or a prisoner in a Venezuelan dungeon. Recent information of a disquieting nature received from his adherents in Caracas and Coro tends to show that the army petrel of South American politics was himself a victim of his attempt to overthrow the government of President Gomez in Coro on July 24 last, which resulted in failure and the capture and imprisonment of all his leaders, including his brother, Enillio Castro. According to news received from Curacao in this city a few days ago, Castro landed in Coro from a small schooner on the night of July 24, accompanied by Pierre Daudet, at one time Venezuelan Consul in Antwerp, and several adherents who had met him in Bridgetown, Barbados. On the following day General Castro issued his proclamation to the people of Venezuela, calling upon them to join his standard and assist him in ousting the "traitor and tyrant," President Gomez. He is said to have left the Arsenal on a tour of inspection two hours later, and from that hour to this, as far as is known, he has not been seen or heard from.

The theory that General Castro is dead or held a prisoner is borne out, according to his intimates, by numerous facts. It is known that Gomez Castro reached Puerto Rico early in August, and that she proceeded to Colombia for the purpose of rejoining her husband. Their place of meeting had been agreed upon, but General Castro failed to appear, it is said, and after vainly seeking information from her husband's whereabouts from friends in Curacao and Trinidad, she returned to San Juan, Puerto Rico, where, convinced that her husband is dead, she is said to have gone into mourning.

Another fact that tends to support the theory of Castro's death, according to those well informed, is that he has not been seen by any of his friends in Europe since he left Southampton recently, early in July, for the store for "Wyeth's Sage and Sulphur Hair Remedy."

MOTHER! IT'S CRUEL TO FORCE OIL OR CALOMEL INTO A SICK CHILD

"California Syrup of Figs" Can't Harm Tender Stomach, Liver, Bowels

Look back at your childhood days. Remember the "physic" that mother insisted on—castor oil, calomel, cathartics. How you hated them, how you fought against taking them. With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do to their children's revolt is well founded. Their tender little "insides" are injured by them. If your child's stomach, liver and bowels need cleansing, give "California Syrup of Figs." Its action is positive but gentle. Millions of mothers keep this harmless "fruit laxative" handy; they know children love to take it; it never fails to clean the liver and bowels and sweeten the stomach, and that a teaspoonful given today saves a sick child to-morrow. It should be the first remedy given as it always does good, never any harm. Ask your druggist for a 80 cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly on each bottle. Beware of counterfeits sold here. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.

Willoughby Gwatkin, who for some time has been general staff officer in charge of mobilization arrangements at militia headquarters, has been appointed chief of the general staff, to succeed Major General Colin Mackenzie. The tern schooner Percy E. was launched on Saturday at Parrboro by Captain Thomas B. Bentley who built her, is part owner, and she will be shipped on January 15 to draw the attention of the vessel could be found. It is thought the vessel came from the West part of the island and an unconfirmed report says four men and one woman were on board. On his arrival in Toronto on Saturday afternoon, General Branwell Booth of the two-month schooner was enthusiastically received by his followers. More than 2,000 with ten bands had turned out to greet him, and there were present also the mayor of the city with civic officials. The mayor delivered an address of welcome. Last night and yesterday afternoon the general addressed large gatherings. It is said in Ottawa by his intimate friends that Premier Borden tires of the ties of office. He would gladly quit if
