The standing of the teams in the Intercollegiate League is as follows:
Won. Lost. P.C.

Halifax, N. S., July 17.—The league baseball game in Halifax today was won by the Standard who defeated the Socials 8 to 0. In New Glasgow, Westville defeated Stalled 4 to 3 in an eleven inning game.

Sees Old Team Back.
Boston Globe.—George Winter formerly of the Red Sox, who is manager and captain of the St. John team of the New Brunswick League, was in town yesterday looking for a few players for his team. He saw his former team beaten by Detroit in the afternoon.

Capital Comment.
Fredericton papers say:—
If you don't work today (Wednesday) Captain Gantry will send him after that game with the Marathons tomorrow. The Peta should be good for three out of five hits, unless the Donald springs something entirely unexpected.

Mr. Young should be able to get a job as demonstrator for the telephone company when he goes through with baseball. He and Johnny Murray will make up nicely together as a team.

The fans want us to cut out bunting and yet they want us to win, too," said Bob Gantry "and we can not do both so I guess we'll keep on bunting."

Eddie Ayers, the Williams College pitcher, who is said to be signed for the Marathons, was wanted by Fredericton, but said he would not come so far from home.

The Marathons management is at last promising the St. John fans some good new material. Casey Hagerman was taken from Denver by the Boston Americans last fall, but was sent to Jersey City this year and did not fit in right in the International League. Harberich has been finding the going in the International pretty rocky for a couple of years. Both should look good in the N. B. and Maine League if they can be secured.

to fight Charlie Miller on July 31, as seriously ill from pleurisy. The fight has been postponed. Miller announces that he may go to New York.

Cricket.
Rosedale Beaten.
The Rosedale Cricket Club of Toronto were defeated by a combined team of Frankford and Moorestown players in a one day match at Moorestown, N. J. yesterday. The score was 202 to 48.

Richardson's Great Work.
Tom Richardson, the famous English fast bowler, who died recently, was forty-two years of age. He had for some years dropped out of first-class cricket, but he will be remembered as the greatest fast bowler on modern prepared wickets. He was a tireless worker, of immense stamina and powerful physique, and an imposing figure on the field. In 1885 he captured fifteen Essex wickets in one match, and, bowling unchanged, through both innings of the Surrey v. Gloucestershire match in 1884, he took nine wickets for ninety-nine, and in 1885, again bowling unchanged in the match, he dismissed eleven Derbyshire batsmen for seventy. During his greatest seasons the following was Richardson's record:

Runs	Wickets	Average
1887 3,345	273	14.45
1888 4,170	190	14.57
1889 4,015	246	16.32

In a test match at Manchester in 1886, Richardson took thirteen wickets for 244 runs. In his book on cricket Dr. W. G. Grace refers to Richardson in the following terms: "Thomas Richardson has for some years been acknowledged as the best fast professional bowler in England. He bowls right arm, with a high, cutting delivery. The exceptional length of his run always surprises spectators. His bowling, as a rule, breaks slightly from the off, although slow and then it goes with his arm and even on hard, good wickets, he is difficult to play. He keeps up a splendid length, and can stand any amount of work. However severely he is punished, he works like a Trojan, and goes away until he gets the wicket or is relieved."

Durban and Hackett.
Toronto, July 18.—Eddie Durban, professional sculling champion of America, has signed articles for a three mile race with John Hackett, of Ohio River, Ont., to be rowed at Hackett's, Minn., on July 30, for stakes of \$1,000 a side. The result of the race does not carry with it the championship, as Durban will row for the championship only on Toronto Bay.

O'Neil Has Turned Professional.
John O'Neil, of Halifax, who won the amateur scull championship of America in 1910, will not race again for the title, but will row professional; should there be a single scull race in the province or as near home as Boston. He does not intend to go in for match racing or to make a regular profession of racing, as his business will not permit him to get away, but he will keep himself in shape to take advantage of any opportunity which will suit his arrangements. Should Durban, Wins, Greer or others be brought to Halifax for a purse, he would take part in the race.

Canadian Eight Beaten.
Stockholm, July 17.—The heats of the single shells today demonstrated the difficulty of the 2,000 metre course, with its bridges and bends. The boats frequently bumped.

E. B. Butler, of Toronto, won the third heat against Haglund, Sweden, in 7 minutes 45 seconds.

The first two heats were featureless. Kuzits, Russia, beat Heinrich, Austria, in the first, but the latter protested, and the heat will be rowed again. In the second heat Incallu, Australia, beat Stahlke, Germany, but was disqualified for cutting across the bend and interfering with the German.

In the fourth, Kinner, England, beat Hoffman, Germany, in 7 minutes 44 seconds. The Englishmen were only paddling at the end. The fifth was a row for the Merger, Hungary; Simonsen, Denmark, won the sixth from Soursk, Bohemia, who withdrew before the finish, in 7 minutes 40 seconds. Levicky, of Hungary, and Verman, Belgium, rowed over the course. In the second round for mixed fours, Sweden beat Norway by one length in 7 minutes 39 1/2 seconds. Denmark rowed over.

In the preliminary heats for out-rigger fours, Finland beat France by two lengths in 7 minutes and 18 seconds. The Norwegian students rowed over. Christiania beat Austria, Lehnise, in 7 minutes 35 seconds, the latter four withdrawing 70 metres from the finish. Belgium beat Denmark by one length in 7 minutes 15 seconds.

Germany, Ludwig Shafen, beat Sweden by two and a quarter lengths in 7 minutes 48 seconds.

England, Thames Rowing Club, rowed over.

Leander Club beat Canada by three-quarters of a length.

New College, Oxford beat Norway by a length and a quarter, time 6 minutes 42 1/2 seconds. Berlin R. C. beat Hungary by 2 1/2 lengths, time 6 minutes 32 seconds.

Notes of the Game.
Going down.
Woodstock is now 44 points ahead of the Reds. With an even break of luck the result might have been different.

The new third sacker, made his debut with much éclat.
McGovern, Fraser and O'Brien each had one error.

The Greeks had six hits and the Reds scored by a good margin.

The Greeks will probably do the twirling at the Capital today. One of the new pitchers will be here for the week ended.

DRAMA OF JEALOUSY

Man Murdered While on Mission To Buy Furniture For Bride's Home

Rome, July 18.—A drama of jealousy seems to be bound up in the murder of Giuseppe Lanfranco, whose body was found in the Lake of Varese. Lanfranco was a master builder of San Fedele, and was soon to be married. He left home, saying he was going to Varese to buy furniture for his new home. His fiancée begged him to return soon, as she was nervous because of a rival. Nothing was heard from him until his body was found in the lake. He was blindfolded, his arms were tied behind his back and a thirty-pound weight was attached to his feet.

CHARLES DICKENS' MASTERPIECE
Three Magnificent Edison Reels
FOLLOWING CLOSELY UPON OUR OTHER EXCELLENT STANDARD FICTION SUBJECTS, this story will doubtless arouse a great deal of interest among booklovers. It is a most carefully planned picture, consuming a whole hour in the showing of it. Edison's best players delineate the characters with absolute fidelity to the book, and the costume and scenic effects are in every detail true. The story is too well-known to refer to it at length. As a source of entertainment and a delightful way of "reading" a charming fiction—though really a life study—"Martin Chuzzlewit" will send you home pleased and edified.

WIDOW OF "SOCKLESS JERRY" WANTS OFFICE

Follows Mandate Which She Says Came From Husband in Spirit World

Wichita, Kan., July 18.—Mrs. Simpson, widow of "Sockless Jerry" Simpson has followed the admonition of her late husband from the spirit world and has become a candidate for county superintendent of schools of Sedgewick county.

Since the death of her husband several years ago Mrs. Simpson has professed to have received numerous spirit messages from him, one of which was that Speaker Champ Clark would be nominated at the Baltimore convention.

Mrs. Simpson is a great believer in these spirit messages from her husband and she regulates her daily life according to the advice she receives from him. In one of his messages he directed the sale of his biography. Mrs. Simpson has worked industriously at this and has lived upon the proceeds of the sale of the book.
