BOWLING.

Y. M. C. I. League.
The Robins dug their way out of the cellar position in the league standing by taking three points from the Swans last night. They simply flew away from their elongated necked rivals in the first and last strings.

In the first string the Red Breasts anchor, Ramsay, got into full swing and hit 'em to the tune of 108. McCann and Cusack kept close pace and limited in the 90 class. The second string was just about as one sided in favor of the leaders of the league as the first was in

that of the tail enders. With their Southpaw, Magee, skipping over the century mark and Wall, McCurdy and Evans all over ninety the Swans captured this string with a majority of thirty-eight pins.

This gave the Robins a lead of 27 pins on the total pinfall at the start of the third string. A century by Stack, 96 by McCann and 91 by Cusack contributed chiefly to winning the third string by the Robins by fifty-one pins. The Red Breasts therefore won the point for pinfall by fifty-seven.

Swans—	Total.	Avg.
Wall	81	85
McCurdy	87	92
Quigley	74	77
Magee	94	101
Evans	90	91
Total.	416	452
Robins—	90	75
McCann	89	91
Stack	82	81
Cusack	98	83
Ramsay	108	84
Total.	402	414

The present standing of the Y. M. C. I. house league is as follows:

Won.	Lost.	P.C.
Autos	6	2
Falcons	6	2
Swans	8	4
Owls	8	4
Hawks	8	5
Robins	4	8
Eagles	2	6
Sparrows	2	6

Shots at the King Pin.
My, my, what a bunch of rooters the Red Breasts are! They can sure make the welkin ring.

If you meet one of McCann's Red Breasts today give him a cough lounger—he needs it.

Evans, who played anchor for the Swans, is a nice steady bowler. While unfamiliar with the alleys he certainly knows the game.

The two anchor men fought a nice duel last night. Ramsay of the Robins proved the winner by two pins.

The Swans were minus the services of two of their strongest bowlers, Harrington and Wheaton.

Last night's crowd was the largest and most enthusiastic of the season. They saw a good game and showed their appreciation.

Tonight's game between the Sparrows and the Autos should produce some championship bowling.

The Benzine Buggies will have Covey, Hennessy, Logan, Foshay, Veniot and Evans, from which they can make a selection.

As a result of the game last night the Autos and Falcons are tie for first place. A loss of one point would not disturb their position but two would put them in second place and three in third place. The Autos will therefore fight hard for every point.

McAvity League.
In McAvity's League last night on the Victoria alleys Team No. 5 took three points from Team No. 7.

No. 7 Water Street Pros.
The team from A. Gilmore's defeated the Seville Bros. aggregation by twenty-two pins last night on the Victoria alleys.

C. P. R. Team Wins.
On the Victoria alleys last night, the C. P. R. freight shed team defeated the George B. Barbour Co. Ltd. players, taking all four points.

SKATING.
At a recent meeting of the executive of the regents of Mount Allison, for Sackville, N. B., it was decided to proceed at once with the erection of an institutional skating and hockey rink. Plans call for the erection of a rink seventy feet wide by 180 feet long. The work of building the piers for the foundations will be started as soon as possible and in the meantime tenders will be asked for the superstructure. It will cost \$12,000 to \$15,000.

BASKETBALL.
To Form City Leagues.
A further meeting was held in the Y. M. C. A. this week in an effort to form an intermediate and senior city basketball league. Four teams are assured for the former, but so far only two are in sight for the latter.

Y. M. C. A. Senior League.
The following is a schedule of the games to be played in the Y. M. C. A. senior basketball league:

Gone?
Gone?

YES, gone is the sting and smart of shaving, and no one knows where, when Mr. Mennen took them out and won't any one where he's put them. But nobody cares who is just satisfied with the better shave that Mennen's gives.

OPERA HOUSE BILL
HUMMER ALL RIGHT

Hits in Acrobatic Work, including Wonderful Children—Rich Comedy and Good Music and Dancing

Any person who has ever had the pleasure of seeing Eddie Foy and his clever troupe of juveniles on a stage should not miss the new programme, repeated tonight and tomorrow evening in the Opera House. The Robbins family are the feature attraction of the new bill and from the father and mother down to a little one that can barely waddle on the stage they give a performance par excellence. People who have seen Eddie Foy's troupe must acknowledge that the Robbins family can compare favorably with them. In addition to this feature act there are four other good numbers on the bill.

Following another episode of the popular serial, "Perils of Thunder Mountain," which contains some novel and exciting scenes, Duley and Bertie gave a demonstration of dancing which is far above the average act of this kind. Both are clever performers and have a variety of steps and feints which are very entertaining.

Ash and Hyams follow with a sketch which was well received. The drop depicts a scene in Chinatown, which is cleverly illuminated. Both are clever performers and their work evoked well merited applause.

Early, Light and Company, in a sketch entitled "On the Water Wagon," made a great hit. Although this act was presented here some time ago, new features have been added and the participants evoked hearty and prolonged laughter and won rounds of applause.

Charles F. Senon, a comedian who possesses marked musical talent, then entertained the audience. He has several freak instruments and rendered many popular and catchy airs. He made a hit with all present and was forced to respond to an encore. His act is a big, long, wholesome laugh as well as entertaining in music.

The last act is that of the Robbins family. As the curtain goes up the father and son, about four years old, appear and after singing, engage in repartee, which was amusing. The joke about Pharaoh's daughter did not sound well, coming from the lips of a child, and could be eliminated without detracting from this scene. A dog then performed some clever feats, after which other juvenile members of the family put in an appearance. After singing, they gave an unusual and clever acrobatic performance. The entire family are gifted with talent for acrobatic work and some of the feats performed by a little girl and three small boys were amazing. Both the mother and father also perform and it is quite evident that the children take after them.

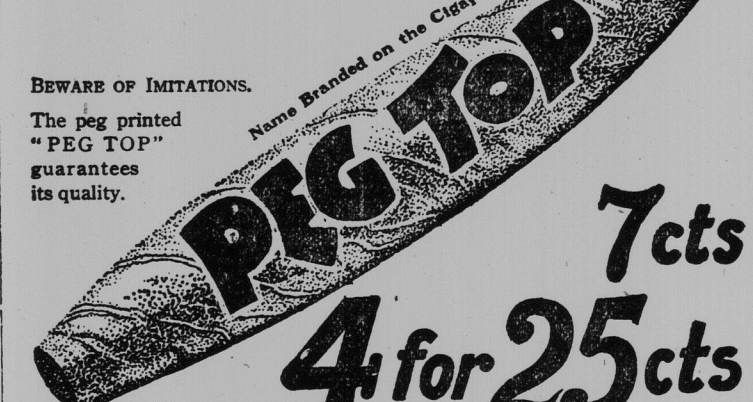

The Motion Picture Exhibitors' League will meet in annual convention in the rooms of the Board of Trade today. There will be a large attendance from all over the Maritime Provinces. Several representatives of producing companies are in the city for the meeting.

James Cook, who had been missing from his home since Monday morning, was located yesterday at the home of his son, Walter Cook, 171 Water street, West End.
