Notes and Notelets

"There seems to be no hope for a preference for the colonies." This is the headline which stands out most conspicuously in some of the papers.

These people who urge preferential taxation or preferential trade ask no question as to the effect of the taxes. They never seriously ask the question: Who bears all this burden?

They are stronger, wear better and ride easier than any other. It is quality and workmanship which accounts for their success.

W. G. NOTT & CO. 205 1/2 Queen Street.
