A Famous Surgeon. eng, the famous Austrian surgeon, arrived of son day, when he will demonstrate his skill at the General hospital by operating upon a case of congenital hip disease. Celebrated.

Regina, June 20 .- The Northwest As sembly proposed yesterday at the close of its session that Regina citizens celebrate because the legislature had as that King Peter took the initiative in the cases of Russia and Austria, by a city Principal Caven.

Toronto, June 20.-Principal Caven, t is reported to-day, is in pretty much the same condition as yesterday. There s still hope for recovery, though, of course, the continued strain on a man ity to make rejoinders. The opportunity, of his years weakens the power of resistance. WALKING DELEGATES

# Derby's Plumber Mayor Says They Should Be Dispensed With.

Derby, Conn., June 20 .- In an inter view published to-day, Mayor Geo. P. Sullivan, a plumber, who was elected Sullivan, a mayor last fall, and was formerly presiof the central labor union, ed that all walking delegates and high salaried union officials should be dis-pensed with, and that the settlement of difficulties with employers should be left to local unions. "Recent startling left to local unions. revelations," he said, "have shown that a walking delegate is more of a detrinent to a union than a benefit." Mayor Sullivan also said that in his opinion the recognition clause in agreements between unions and employers is not worth struggling for. "In my opin-ion," he added, "the clause is frequently inserted for the benefit of the walking delegate and for the purpose of keep-ing the breach open between workween of the struggling delegate and for the purpose of keep-ing the breach open between workween ing the breach ope ing the breach open between workmen and employers."

## SEVERE STORM.

#### In Wales Rain Was Accompanied by Earthquake Shocks.

London, June 19 .- In spite of drench ing rain King Edward was again present at the Ascot races to-day. In Carnarvon, Wales, the rain was ac companied by two strong earthquake shocks. Houses were rocked, but no damage was reported. The earthquake shocks were so severe at Bangor, nort Wales, that the patients were carrie

out of the hospital, and the congregatio left the cathedral. The race meeting, which was to have occurred to-morrow at Windsor, has been abandoned.

Six inches of rain have fallen in Lon don since the 8th, while the thermonit ters fell to within three degrees of freez ing during the night.

# THE CUP YACHTS.

Race Scheduled for Reliance, Columbia and Constitution

New York, June 20 .- Thick fog an an east wind were the unfavorable co ditions which to-day met the yachtin enthusiasts who assembled to see th three cup vachts race in the sound off Centre Island for a cup offered by the Sewanhaka-Corinthian Yacht Club. The course to-day was a triangle 1134 miles around

# FOR EMPEROR'S CUP.

Eight Yachts Take Part in Race From Dover to Heligoland.

Dover, Eng., June 22 .- Eight yachts started to-day in the annual race for the Emperor William's cup from Dover to Heligoland, 320 miles. A light breeze as blowing. schooner yacht Cicely, owned by Cecil Quentin and designed by Fife, speedily assumed the lead.

## VISITS NEW YORK.

New York, June 20 .- On the Cam pania, which arrived to-day, was Rev. Reginald Campbell, of London, who succeeded the late Dr. Joseph Barker at the London City Temple.

#### VERY INDIGNANT. Servian Minister on Britain's Action Withdrawing Representative From Belgrade.

Belgrade, June 20 .- The foreign minister. M. Kalievics, in an interview this afternoon, expressed intense indignation at the announcement from London that MINISTER TO WITHDRAW the British minister had been instructed to withdraw from Belgrade for some me on the arrival here of King Peter minister said it was in xplicable why the British government Inrended to make provisional Servian ministry respon-le for the deploratie events of the night of June 10th. The members of th present cabinet, he added, had really dis-

played great patriotism in coming to the aid of their country in the sad crisis. The text of the statement which may he view of the government follows: 'It is with deep indignation that we find u a recent telegram from Londou an indication that it is intended to hold the sent government responsible for the deplorable events which occurred on the night of June 11th in the royal palace. It is known that the events of that night were carried out by Servian officers who had resolved to prevent the probable co proclamation of the brother of Queen 50 Draga as the successor of the throne. On Thursday he Made a Farewell Address to His Bishops and Priests.

London, June 20 .- The Very Rev. Herbert Vaughan, Cardinal and Archof Westminster, died at midnight. He has been ill more than three badly shattered. months. Late in March it was thought he could not survive more than a few

The Cardinal, who had been sinking for some weeks from heart disease and dropsy, died peacefully. His death was not expected so soon.

Yesterday Cardinal Vaughan was wheeled in a bath chair about the corridors of St. Joseph's College, which he founded. On the previous day he appeared in the college chapel in full Cardinal's robes, and made a farewell address to his bishops and priests. His remains will lie in state in the cathedral at Westminster, another monument to ardinal Vaughan's work, and will be buried at St. Joseph's College.

Cardinal Vaughan was born at Gloucester, England, on April 15th, 1832. He was educated at the Jesuit Joseph's Missionary College at Mill Hill, Middlesex, an institution designed he black race, particularly in the United States. He accompanied to the United States the first band of missioners and ounded a college in Maryland in 1871 He was consecreated Bishop of Salford, England, in 1872. He succeeded Cardinal Manning as Archbishop of West-minster in 1892. He was proprietor of the London Tablet, a weekly journal. and the Dublin Review, published quarterly in London. He was made Cardinal

He sole AMERICAN TRACT SOCIETY. Annual Report Shows It to Be in a

Satisfactory Financial Condition.

New York, June 20 .- The 78th annual eport of the American Tract Society vas made public to-day. It states that he society has reached a consensus as o what the Bible teaches on many, if not all, essential points as held in common by the several evangelical denom-inations, in printing it in various forms and many languages and in sending it to the people in all quarters of the globe. The financial condition of the society is highly satisfactory, and a fund has been established toward' the removal of debt. The society is now publishing seven periodicals, four in English, two in German and one in Spanish, with an aggre-gate circulation of 3,090,000. The Gospel has been published in 155 languages and dialects. Colporteurs have made 15,166,000 family visits, and left in their omes by sale and grant between 16. 700.000 and 17.000.000 volumes. In the aterior of the state of New York there are school districts in which not a single amily attend a church service, and one n which prosperous rural churches are mbling into decay and the building and sheds falling down. The society was expended in its seventy-seven years creating a Christian literature for

The mobilization of and militia, took plac 600 and 700 men be evening about 9 o'cl ment, D. O. C. R., a Plains and camped of the railway. Generally speaking

ations is to protect Ro manned by regulars the hands of the Roy Work Point barracks forces are taking the as they are skirmi the vicinity of Rodd H is to repel the force of The attacking ford

50 men, and were e from Albert Head. C a small force, had, ed on the Albert Head in contact with a force orders to fall back at the cross road t Metchosin in comma Capt. Grant, on the ordered to take up a the Metchosin road, on the reserve at the tacked. Although this from which an attack expected no opening wa A detachment in charge watched the Goldstrea railway, and another stationed in the rear of I tect the gunners in case the fort from that dir the whole country in wood was covered with p panies, and it seemed number of men to find small datachment in number of the officers fence from the Colw Boultbee is in charge of Everything was quiet o'clock when some fir the neighborhood of All vestigation showed that s with Capt. Grant's for road had unexpectedly section of about fifteen The latter took one pri pecting scout, who was along on a bicycle quite u proximity of the enemy his parole he was all a short time fighting Firing on both sides casualties (figuratively) numerous. The volu coming to the cross ros nade a stand. Howe taking little notice of the fire to which they were bayonets and gallantly side claimed the victory volunteers retired and position on the road. The fell back on the main att Until about 11.30 nothi occurred. Then a scatter up from the vicinity of th grounds. Steadily the vanced, but as more of forces became engaged seemed to be held in cl

Up till noon the 6th Reg ed in holding their positi In spite of the dusk i volunteers pitched their t ner that would have regulars. Reveille so and in fast the "fall in" was h officers were given their day.

This afternoon about 4 Regiment will come in to tion where they will bear Nanaimo to-night at 9 o' meantime, until the time parture, they will be allow relaxation in the city. The Fifth Regiment wes of Macaulay fort to-day to ing in various lines of their last day at Macaula; strike camp this aftern o'clock,

The annual inspection Regiment, C. A., took plac afternoon at Macaulay Pla ade showed 182 men of ent, rather a small show important parade. The we and quite a company of nessed the evolutions of 3.30 the D O. C. Col. H position at the saluting accompanied by Capt. Pr who is comm Work Point during Major Gurdon. The insp was received by a genera which the regiment ma column company, and th column. No. 1 company. Currie, was particularly their good work in this companies were then in-pe Pany drill, manual and firi cleanliness of accoutry both captains and subal practical work. The mu also called.

At the conclusion of this Probyn undertook the ins 1 and 2 companies in The target was stationed out in the Straits, and team practiced for an ho marker's report is not yet
