ridence, and misce to Woonsocket Falls, and an interciality treated, but seaterday they thought better to release them. "To-day, three or four more have been arrested, but finally released, and others abut and and excised. How long will the government put up with all this treasonatic alonse ? Not long, I are creating; they must come immediately to our nid. It is expected have that Dorr's proclamation will be out to morrow, convening his Legislature in our place as soon certainly as the 4th or July— He inse not get arrived here, but is expected every moment. The insurgents stick at nothing, if we believe their own word. To-day, 40 men were die parched to Pascang village, in Barrivish, a miles dramt, and took a small cannon lodged there. I mu fall everal beef eather have been taken in the neighbourhood. neighbourhood. Suprexars Cours-Trinity Term, 5th Vic. 1842. Eliss Tapper, Esquire, Barrister of Nova Scolla, W. Tyng Peters, Junior, Esquire, and Wm. E. Twysham, Esq. Attorney of Her Majesty's Court at Westminister, are called to the Bar, and admit-ted, sworn and enrolled Barristers. Lewis Peter Fisher, Gentleman, having produced the requisite Certificates, and having been examined as to his fitness and capacity, is admitted, sworn and enrolled an Attorney of this Court.

CIVIL APPOINTMENT. Fogar Wheeler, of the City of St. John, Esquire, Notary Public for the Province, Secretary's Office, Jame 24, 1842.

a Noinry Public for the Province. Secretary's Office, Jane 24, 1842.
Themstork, June 14.—The Medway, Royal Mail Steamer, strived here on the 7th inst. in 3.12 days from Nasana, N. P. She proceeded to Mittrary's an-chorage: and after taking in a supply of Coal, star-ed on her voyage to England, vin Fayal.
Derservens or Sint Custriss Metroatze race Satistick.—We observe by our Jamnice files, thet Sint C. Metedle left that lefand on the 21st May, for England, in H. M. S. Vestal, Coppin Parket. —The shew the kindly feeling evined towards Sir Charles by the people of Jamnica, we quote the following temarks from the Morting Journal:— — "At Port Honderson his Excellency was received by about 500 persons, who had assembled there to 'take a last fond look' of the Governer who had as well eartied and secured the respect and graintable of avery inhabitant of the Island. On arriving a the what, the troop dismontied, and formed an evene in single file. Sin Charles algitted from his carringe, and teening havated containly shool hands with each trooper. The sectes was painfally affecting-mot a work was intered; but though who affecting-mot a work was intered; but though who hands with each interper. The sectes was painfally affecting-mot a work was intered; but more in the first charles in passing, bowed and contially shool hands with each interper. The sectes was painfally affecting-mot a work was intered; but though the ing in appeared to be completely overwhelmed. "-H Cazette.

Gustit. It will be seen, by His Excellency's Proclamation in to day's Gazette, that the "Bermids Infantry are to be Embodied for a short time for the purpose of Minary Training. They will assemble at the Barracks in this Town on the 11th proxime.—Ib.

Partness in this Town on the Tim proxime - 10. Russell, the Vocalist - We have seen a lette from London, which states that Mr. Russell has no been quite so successful in that city as he wishes th fulls on this side the water to believe. Instead c grand concerts at a guine admission, he has give several "musical entertainments" at an obscur tavern, attheos shullings per head. - American pape

and no fever and ague, or intermittents. The Lays Exercice are captain Wilbut, the chooser St. Lawrence, arrived from Port i plant, has furnished a portential account of the la-denoidal carlienake at the Island of Hayi. The fine town of Santiago, about 60 miles in the interior, and the centre of agricultural commer-ions been entirely destroyed. The populati-consisting of about 6000 souls, of which 5000 a-buried in the rains—further in the interior to towns of Vega and St. Overo have met with simil-fates. The city of Cape Haytien, the deposite all the agricultural products of its fine plain, to capitol of the Northern part of the Island, has with utter destruction, and is one immense mass-ernumbling rain. It is stated that the number's whave been crushed to death and who had otherw fallen victims there to this calamity, amount to 70 souls. Many dead and purified bodies were by in the streets and nobody to remove them. The inv extained with theinfection, and a pest seem.
