# THIRD WEEK IN B.G. STRIKE; NEITHER SIDE MADE GAINS

## Company's Explanation for Withholding Statement of Yesterday's Output—Anglican Clergyman Who Can See No Reason Why the Soldiers Should Be Held at Glace Bay to Protect Company's Officials—Will Never Consent to Recognize U. M. W., Says An Official of the Coal Company—"Forced Into the Fight and In It We Intend to Remain."

Special to The Standard.  
Glace Bay, July 19.—Today marks the beginning of the third week in the great coal strike, and from an impartial viewpoint neither the company nor the strikers can boast of important gains, although both sides proclaim that victory is almost in sight. Aggressive action on the part of one side has been successfully met by the other. The static encounter between P. W. A. and U. M. W. men at Redoubt is the only disturbance reported today and the situation otherwise is unchanged.

No statement of yesterday's output will be no statement of today's output. The somewhat significant statement made at the company's offices tonight when your correspondent asked for the daily report, respondent asked to play into the hands of the U. M. W. in the future by giving the daily output at various collieries. We are willing to give the total from the mines and the banks but that is all.

"The company claim that the U. M. W. are using the daily report of the output to their disadvantage, while on the other hand the strike leaders state that the change in the company's policy will not affect them in the least. If the mines only give the totals from the banks but that is all."

"That looks like an admission of weakness to us and therefore we are glad to see the company abandon what was supposed to be their display of strength."

**Clergyman Speaks.**  
In discussing the strike situation, Rev. H. P. Ever, the Anglican clergyman in Glace Bay, stated that he could see no reason for use of soldiers to protect the company's paymasters from the way from the offices to the station. He did not believe that the strikers had any desire to attack the company's officials in the way of their duties. There has been a marked improvement in business during the past few days and the merchants of Glace Bay and the surrounding colliery districts feel confident that conditions will be up to the average during the present week.

**Signs of Improvement.**  
One sign of improved conditions is the large number of commercial travellers arriving. Every train brings two or three and they are well satisfied with the business obtained.

The U. M. W. leaders have arranged to conduct a series of mass meetings at the various collieries to be addressed by the best speakers available in the ranks of their organization. The first meeting was held today at Dominion, the stronghold of the P. W. A., when District President Dan McDougall and others spoke.

**Dominion Coal Co. Optimistic.**  
That the Dominion Coal Company is just as optimistic as the U. M. W. is shown by the following interview with a prominent official tonight: "Although the present strike is unpleasant to all concerned, we are in exacting the same position we took at the commencement of the trouble. If the strikers will continue in demanding recognition, they can wait until the cows come home, for we elsewhere are well satisfied with the situation. We are not forced into the fight and we intend to remain. If American coal operators secure our trade, then we will fight until we get it back. It would mean the ruin of Cape Breton to allow the U. M. W. to control the whole situation. I have carefully studied their records elsewhere and know what they are capable of. We are well satisfied with the present conditions and look for a marked improvement in the future."

**The P. W. A. Initiations.**  
Glace Bay, July 19.—Grand Master McNeil of the P. W. A. said tonight that since Saturday 100 men had been initiated into the ranks of the P. W. A.

**Statement by Representative of the United Mine Workers.**  
Glace Bay, N. S., July 19.—Peter

### THE COMPENSATION ACT.

Resolutions By The Labor Unions Heartily Endorsing the Action of the Hazen Government.

Hon. Premier Hazen, LL. D., Fredericton, N. B.

Dear Sir,—The enclosed Resolution has been unanimously adopted by the following Labor organizations:—

No. 919, Carpenters' and Joiners' Union,  
No. 3 National Painters' Union,  
No. 1 Bricklayers' and Masons' Union,  
No. 85 Typographical Union,  
Longshoremen's Association,  
Galvanized Iron and Sheet Metal Workers' Union.

Yours respectfully,  
(Sgd.) GEORGE N. BREEN,  
Secretary of Carpenters' Union.

St. John, N. B., April 15th, 1909.—Resolved, That the members of this Union endorse the action of the present Local Government in giving to the workmen of this province an Act (namely Workman's Compensation Act) which safeguards and protects the workman and his family against accidents, to which he is so often exposed.

The very fact that not a single loss of life has occurred at the great works of our Winter Port since the Act went into force is proof of benefit of said Act.

Many of the manufacturing industries have exercised greater precaution in placing guards around machinery, belts, etc., that heretofore have been exposed. Many business houses have placed automatic hatches or guards on the elevators, thus protecting their employes.

Be it Therefore Resolved, That a copy of this resolution be sent to the members of the Government and Representatives of the City of St. John, now in session, and published in at least three St. John daily papers.

# CLOSE OF CAMPAIGN SEES MOSHER'S VICTORY SURE

## Enthusiastic Meetings Last Evening In Support of Government Candidate Leave No Doubt of His Success—Electorals in Fairville, St. Martins, Lakewood and South Bay Hear Stirring Addresses and Cheer Speakers To the Echo—St. John County Will Redeem Itself Today—It Will Place the Constituency in the Hazen Government Column.

Election morning in St. John County finds the Government party confident of the election of Mr. Mosher by a substantial majority. This confidence is justified by reports which came in last evening from the committees in all parts of the constituency. Without exception, these reports speak of large gains for Mr. Mosher, and there will be serious doubt of a Government majority.

A large vote should be polled, and the larger the vote the larger will be the Government majority.

Several rallies took place last evening at Fredericton and the audience anticipated the triumph of this evening.

Mr. Mosher will spend election day in his own constituency, St. John, where his friends expect a record majority. The Government candidate has put up a splendid fight, speaking at more meetings than any other county candidate ever addressed in the same length of time, and closing with no sign of weariness. The encouragement which comes from daily meetings former opponents, who are now supporters, keep a candidate rested.

### AT FAIRVILLE.

Excellent Meeting in Interests of Mr. Mosher Addressed by Premier and Others.

A splendid Government rally was held in the Temperance Hall, Fairville, last evening. Mr. Robert Catherwood occupied the chair.

Dr. J. P. McInerney, M. P. P., in a splendid speech discussed the campaign issues and contrasted the malfeasance of the old Robinson Government with the good administration given by the present executive. The Opposition had not a serious charge to make against the Government. Their charges were either false or trivial.

Mr. H. A. Powell, K. C., dealt with the railway policy of the Government. He exposed the mismanagement in connection with the Central Railway where \$134,000 was unaccounted for. The manner in which the Crown Lands of the province were managed whereby thousands of dollars were yearly lost to the province, was gone into, and a contrast drawn between Mr. Sweeney's and Mr. Grimmett's management.

During Mr. Powell's speech Premier Hazen arrived from South Bay and received a magnificent reception. He spoke vigorously for about half an hour, and the conclusion of his speech cheers were given for the King, Premier Hazen and Mr. Mosher. From all indications Lancaster will give a big majority for the Government candidate, Mr. Mosher.

### AT SOUTH BAY.

Premier Hazen and Hon. Robert Maxwell Addressed A Splendid Public Meeting.

The meeting held in the Public Hall, South Bay, last night was well attended and enthusiastic. Mr. Wm. Lowery occupied the chair.

Premier Hazen was accorded a splendid reception. He dealt with the various Acts of constructive legislation the Government have introduced. He exposed the insincerity of those who were trying to exploit the Liberal party in purpose. He referred to the unbusinesslike and dishonorable methods of Mr. Robinson and his followers when they were in power. And in conclusion he paid tribute to Mr. Mosher, the Government candidate.

Hon. Robert Maxwell, M. P. P., the

### AT LOCH LOMOND.

Enthusiastic Meeting in Interests of Government Candidate at Agricultural Hall.

At the agricultural hall at Loch Lomond last evening an enthusiastic meeting in the interests of Mr. Mosher's candidacy was addressed by Mr. John E. Wilson, M. P. P., and others.

The polling in the Loch Lomond district today will show the great gains that have been made by Mr. Mosher, the Government candidate.

### THE POLLING PLACES.

In the by-election in St. John County today the polls will be open from 9 a.m. until 4 p.m. The polling places are as follows:—

Sub-district No. 1, St. Martins—Twilling, Main street, Quaco.

Sub-district No. 2, At or near the school house, Little River.

Sub-district No. 3, Parish of St. Martins—At or near the Agriculture Hall, Loch Lomond.

Sub-district No. 4, Parish of St. Martins—At or near the school house, Black River.

Sub-district No. 5, Lancaster—Polling places, at or near the factory, south side of Main street, Fairville.

Sub-district No. 6, Lancaster, at or near the public hall, Lorneville.

Sub-district No. 7, Musquash—At or near the office of the Inglewood Paper Company, Musquash.

Sub-district No. 8, Musquash—At or near the school house, Dipper Harbour.

# BRASS TABLET UNVEILED TO MEMORY OF OLD ORANGEMEN

## Interesting Ceremony at Petersville Church In Honor of Memory John Corbett, Who Was 63 Years An Orangeman—Was 25 Years County Master of Queens West and One of the Most Respected Residents of the County.

An interesting ceremony took place at St. Peter's Church, Petersville, on Sunday in the unveiling of a beautiful tablet of brass placed in the church by the Orangemen of their late brother John Corbett, who died December 20th, 1907.

Mr. Corbett was one of the most active members of the Orange order in Queens county as well as being one of the most respected residents of that county.

Immediately after the benediction at the close of the regular service, Rev. R. W. Colsten, rector of the parish, delivered a short address. The unveiling was done by Eldon Corbett, grandson of the late Mr. Corbett.

The tablet bears the following inscription: "In memory of P.G.M. John Corbett, Esq., born in County Monaghan, Ireland, April 27th, 1825. Died at Summer Hill, N. B., December 20th, 1907. A member of L. O. A. 25 years county master of Queens West. A life-long member of this congregation, a consistent Orangeman, a loyal citizen, a kind husband and father, an earnest Christian. Died full of years and honor. This tablet is erected by the L. O. L. Queens West."

The church building was crowded during the ceremony which attracted people from all over the county.

# SHOE WORKERS AT LYNN MAY GO OUT TODAY

## Lynn, Mass., July 19.—A general strike of the packing room employees in the Lynn shoe and leather factories is threatened tomorrow, according to prominent labor leaders tonight at which time they submitted to practically all the large manufacturers in Lynn. The union officers claim to anticipate no serious difficulties from more than eight of the factories, the probability of which, they state, will be given until five o'clock tomorrow night to sign the price lists. Failing in this, they will strike on Wednesday morning. The new list calls for a minimum wage of \$10 weekly for experienced packing room employees, tip painters and tip repairers. It also establishes a minimum wage for two months experience men of \$6 for four months, and for six months, \$8. The list is provided for the payment of 25 cents an hour for all overtime work. The union claims that wages in the no strike up to date, and that the minimum wage is now \$6 and the maximum \$9. Vice-President Edward F. Williams presided at the meeting of the union in Lesters' Hall tonight and Business Agent Kidder was authorized to present the lists tomorrow.

# HENEY OF GRAFT TRIED TO MURDER CAPTAIN FAME, GOT HIS MONEY EASILY

## Rum-crazed Sailor Attempted To Stab Captain On Deck Vessel and Tragedy was Not Averted Until Blood was Spilled—Wife Set House Afire and Then Ran Away Serious Forest Fires In the Annapolis Valley.

Washington, D. C., July 19.—That Francis J. Heney, special counsel of the Department of Justice and also assistant prosecutor in the so-called graft cases in San Francisco, received from the government last year \$23,000 for which he performed no service was the frank admission of Chairman Tamm of the appropriation committee in the House today.

The first panel of 25 citizens was exhausted yesterday without any result and an adjournment was taken until Wednesday.

District Attorney W. H. Lansdon was present as chief prosecutor. The previous trial, after five months of jury-making and testimony, resulted in a disagreement for several days of the trial, there were not a dozen spectators in court today.

As a matter of fact Mr. Heney has performed any active service for the last three years.

One of the Graft Cases.  
San Francisco, Cal., July 19.—Patrick Calhoun, president of the United Railway is again on trial on a charge of offering a bribe to a supervisor to gain a privilege for his corporation. The first panel of 25 citizens was exhausted yesterday without any result and an adjournment was taken until Wednesday.

District Attorney W. H. Lansdon was present as chief prosecutor. The previous trial, after five months of jury-making and testimony, resulted in a disagreement for several days of the trial, there were not a dozen spectators in court today.

# GRAND TRUNK WILL NOT BUY 16 YEAR OLD BOY WAS KILLED BY ALLAN LINE HIS COMPANION

Special to The Standard.  
London, July 19.—Mr. C. M. Hays, Manager of the Grand Trunk Railway, interviewed at Liverpool, said there was no truth in the report that his company would acquire the Allan Line. He added that when the Grand Trunk Pacific was complete, the company would either build a fleet or form an alliance with another company, if that would bring about the same result.

**COAL CARGO REMOVED.**  
From Schooner Alice E. Clark Ashore Near Islesboro—Attempt Will be Made to Float Vessel.

Rockland, Me., July 19.—Nearly half the soot coal cargo has been removed from the four-masted Portland schooner, Alice E. Clark, which has been ashore near Islesboro for ten days. She carries 1,500 tons and half the remainder will be removed immediately, the hatches closed and an attempt made by the Boston Towing Company to float the vessel.

# TEHERAN TOWN IS IN STATE OF ANARCHY NOW

## Little Shah is Pathetically Unhappy—British Legation Sends Out Warning.

# THE AERONAUTS.

Orville Wright Made Two Successful Flights Last Evening.

Washington, D. S., July 19.—Showing more confidence in himself than he has exhibited before this season, Orville Wright made two very successful flights in his aeroplane at Fort Myer this evening.

The first flight lasted 25 minutes and 18 seconds, during which time the aviator circled the parade grounds a distance of about five-sixths of a mile 2 1/2 times. The second, which continued until darkness intervened, was for half an hour's duration and 29 1/2 circuits were made. During both of the trials the machine behaved splendidly and indications are that the Wrights will soon have an aeroplane in condition for the official flights.

**A Night Flight.**  
Chalons Sur Marne, France, July 19.—Henry Farman made a night flight with his aeroplane tonight, remaining in the air one hour and 23 minutes. This beats the French duration record.

Paris, July 19.—M. Periot has announced his intention of attempting to cross the channel Thursday in his aeroplane.

# LID ON AT NARRAGANSETT

Narragansett Pier, R. I., July 19.—That gambling at this place has received its final blow was the belief of not only the reform forces but also apparently the gaming interests, as a result of a meeting of the town council today. A representation of the largest gambling place at the Pier made the announcement this evening that all the establishments similar to his, would close their doors within 48 hours and would keep their doors closed as an outcome of the pressure of public opinion, exerted as an outcome of pressure upon the town council.

# HEAVY FOREST FIRE

A heavy forest fire raged for three days last week at Woodstock, near Nahoon Bay, and extensive damage was done. Large forces from all surrounding districts were called out to fight the flames. Some three or four miles of heavy and young timber were buried over. The buildings of Satauel Whynot were saved, with the great difficulty, the fire at one time being stopped within ten feet of the house. No estimate of the damage is yet obtainable, but it will be very heavy. The fire was set by some unknown person, in a heavy growth of wood and spread with great rapidity. A fortunate shift of the wind assisted in stopping the progress of the flames.

**Pretty Home Weddings.**  
On Wednesday at the residence of Mr. and Mrs. William D. Penney, their daughter Lillian D. was united in marriage to J. V. Nickerson, of the town.

# DEMOCRATS BUSY.

Washington, D. C., July 19.—In view of the present tariff, the tariff commission is expected to be organized in advance of the usual time for such action, met tonight, officers and mapped out the course they will follow in their fight to capture the tariff commission.

Rockland, Me., July 19.—The suffragettes, who were recently sent to prison for taking part in disturbances in Downing street, were liberated from Holloway jail today as the result of carrying out a "hunger strike." One of them, Miss Roberts, refused food for 126 hours. She is now under medical care.
