Contents of a Trunk Landed at  
New York Cause Suspicion  
of a Tragedy Abroad—Police  
Treated to Surprise.

York, Nov. 8.—There was a  
suspicion at the Barge Office yesterday  
all was not right with a trunk  
which had come from one of the Medi-  
terranean ports, addressed to Antonio  
C. Park avenue and West Twenty-  
second street, Coney Island and which  
had been brought over from Ellis Is-  
land.

Every one seemed to feel there  
was something wrong with that trunk  
it was moved from one place to  
another, but it always made its pres-  
ent.

Separated from all the other bags,  
it was attracting attention on  
merits when Dr. Aron R. Jenkins,  
has an office in the Flatiron  
building went to the Barge Office late  
afternoon. His officious or-  
ders were in fine working shape, and  
his attention had been called to  
the trunk he declared it was a matter  
which should be investigated by the po-  
lice and it was not improbable that  
a murder had been committed and a  
body was in the receptacle.

To The Police.  
After a hurried consultation it was  
decided to give the trunk to the po-  
lice. A patrol wagon was summoned  
the trunk was hurried to the po-  
lice station at No. 170 Fulton street,  
where by this time there were reports  
and artists almost without num-  
ber.

What is it? gasped the lieutenant  
as he looked at the trunk which he had  
before him.

"I think it is a Black Hand murder-  
trunk," replied one of the men who had  
opened the trunk.

The trunk was carried into the back  
of the wagon, the windows were raised,  
and policemen and reporters stood  
and, fearing the worst and waiting  
for the trunk to be opened to reveal  
the body of a victim, and then, as  
the trunk was opened, a crowd of  
curious people gathered round waiting  
for the trunk to be opened and then  
the trunk was lifted and there  
was a fire alarm. The trunk was  
opened and a large Italian cheese  
was found inside. The trunk was  
closed and the trunk was moved  
from old age rather than  
violence.

The trunk and contents were re-  
turned to the Barge Office, and the  
owner will confer a favor on the em-  
ployees if he will remove it.

**P. R.'S INCREASING**  
**BUSINESS IN WEST**

Montreal, Nov. 8.—The C. P. R. has  
made and breaking freight  
records at Winnipeg steadily  
season over since the grain move-  
ment began, and now has touched a  
high water mark. During twenty-  
four hours a total of 3,359 freight cars  
were handled in and out through the  
Winnipeg terminals, this not includ-  
ing the regular passenger traffic which  
also heavy. Had these cars been  
made in one single string they would  
have made a train of cars 31 miles in  
length.

## OUTLAW STATE TO ENTER FOLD AGAIN

### STAR BOWLERS TAKE SCALP OF STANDARD

Win First Game in Newspaper  
Men's Bowling League by  
Good Margin—The Per-  
formances.

Don't think The Standard bowling  
team is disheartened because the Star  
men came out a paltry thirty-four  
points to the good in the first game  
of the Newspaper League series on  
Armstrong's Alleys yesterday after-  
noon. There are still a goodly number  
of games and The Standard men were  
just striking their gait on the last  
string as is attested by their lead of  
thirty-five pins. This gave them one  
point, while the Star won out on the  
first two strings and also captured  
the point for the highest aggregate.  
McKinnon had the highest score of  
the day and played with his usual  
luck. McDade was bowling strong  
and the pin boys were kept busy  
lodging the flying pins whenever Geo.  
knocked down a strike.

What happened to the pin boy when  
McDade was bowling.

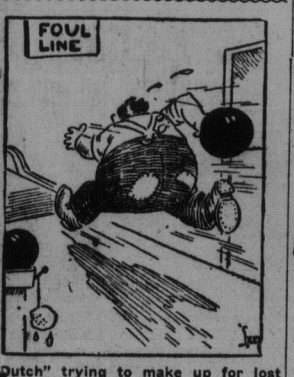

There was an admiring crowd of  
spectators and some of the novices  
felt very nervous. At least this was  
the excuse given. The members of the  
non-contesting teams looked on and  
gloried over the wild efforts of some  
of the players to knock down pins on  
No. 2 alley, while bowling on No. 1.  
Robb was particularly good at this  
fancy work.

**Great Generalship.**  
Smith showed great generalship in  
keeping his score as low as possible  
on the second string as Ervin had been  
called away to attend a fire and it was  
agreed that he should be given the  
same score as Smith on his return.  
Otherwise, Smith played a good game  
except that he did not have control of  
the ball.

Smith's Only Fault was that he did  
not have control of the ball—or  
himself.

"Dutch" Ervin was certainly rolling  
in hard luck. He lost a spare on the  
first string by fouling and in the mid-  
dle of the second string had to re-  
spond to a fire alarm. He rolled a  
score of 48 and returning after  
the string was finished was obliged  
to accept 45 as his mark. This was  
tough and Dutch immediately began  
to make up for lost time. Our artist  
caught him as he was making a strike  
with the first ball, but he was unable  
to keep up the pace and fell away  
towards the end of the string.

"Dutch" trying to make up for lost  
time.

The scores were:—  
Star.  
B. Robb... 70 66 55 191—63 2 3  
H. Ervin... 82 45 66 193—61 1 3

H. McKinnon... 84 103 71 268—86

### VOLLEY BALL TEAMS ALL HAVE SLOGANS

Weird and Wonderful Inscrip-  
tions Adorn the Walls of the  
Y.M.C.A. Building—Who the  
Perpetrators Are.

On the mantelpiece above the big  
open fire place in the Y. M. C. A.  
building, in which the logs blaze  
cheerfully every evening, there is a  
handsome silver cup which is to go to  
the winner of the volley ball league  
which is now being formed. The cup  
has been put up by a number of en-  
thusiasts and already a number of  
teams have posted up their entries  
for the contest.

Volley ball became very popular in  
the gym last winter, as it affords much  
exercise and amusement and recrea-  
tion. The game is played with a basket  
ball over a net about nine feet high  
which extends from end to end of the  
gymnasium.

Each team in the league will be  
composed of five men, but a number  
of teams have entered more than are  
required in order that they may have  
substitutes to fall back upon in case  
of need.

**The Teams.**  
The six teams that have already en-  
tered and their names follow:

The Royal Bachelors, who give their  
names only and ask those who hear  
them to draw their inferences are,  
Messrs. E. A. Glazie, F. Garrett, Ath.  
Scott, Norman Rogers, Cecil Bell, H.  
H. Reid and H. P. Babson.

The Invincibles, who say they enter  
the league to win, are Messrs. H. M.  
Alpine, Rev. A. S. Anthony and Rev.  
A. B. Cohoe.

The Dreadnoughts, who have "not  
much to say," are Messrs. Bert. Ge-  
row, H. Porter, A. W. Robb, M. Don-  
ald, O. A. Burnham, Rev. D. Lang and  
Dr. Malcolm.

The "who mostly assert  
that their names will look good on  
the cap, are Messrs. L. Bogart, J. D. P.  
Levin, Geo. McA. Blizard, Geo. Rob-  
erts, Rev. A. A. Graham and Rev. R.  
A. Armstrong.

The Buzz Saws, who ask their riv-  
als if they have ever eaten one, are  
composed of the leaders of the sen-  
ior class, Messrs. L. Bentley, Ron.  
No. 2 alley, while bowling on No. 1.  
Robb was particularly good at this  
fancy work.

**The Night Hawks.**  
The Night Hawks who think they  
will fly away with the cup, are Mes-  
srs. A. F. Horsman, C. L. Longbery,  
Robt. Smith, Chas. Crocker and Her-  
bert Rothwell.

The league will commence soon, but  
a number more entries are expected  
before the schedule is drawn up.

**City League Tonight.**  
Tonight at Black's Alleys, the City  
Bowling League will open with a game  
between the Insurance men and the  
Electricians. There are ten teams in the  
league and the series will be com-  
pleted on Friday, January 28th. Some  
of the best bowlers in the city will  
take part and some cracker-jack bow-  
ling is assured. The teams are num-  
bered and captained as follows:

Newman, No. 1, H. C. Olive; In-  
surance, No. 2, A. J. Machum; Electric-  
ians, No. 3, T. Cosgrove; Dunlop Rubber  
Co., No. 4, W. Gunn; Pirates, No. 5,  
W. Phinney; Two H's, No. 6, M. Law;  
Ramblers, No. 7, T. L. Wilson; Yan-  
igans, No. 8, H. F. Black; Tigers, No.  
9, C. Lunney; Accountants, No. 10, P.  
Sinclair.

**C. M. B. A. Wins.**  
The A. O. H. quintette again suf-  
fered defeat at the hands of the C. M.  
B. A. aggregation, on St. Peter's al-  
ley last evening. The score on the  
winning team was very high, Cosgrove  
averaging 89.23. The game was rather  
flat, as the C. M. B. A. had the ad-  
vantage all through and took the four  
points. The A. O. H. seem to be roll-  
ing in hard luck as out of three games  
played they have lost each time. The  
score follows:

**C. M. B. A.**  
Cosgrove... 91 83 85 269—89 2 3  
Fitzpatrick... 67 85 81 236—78 2 3

McDonald... 55 87 88 230—76 2 3  
279 433 414 1226

**A. O. H.**

## Trading of Konetchy Baseball's Big Joke

ED KONETCHY.

**By Tip Wright.**  
Is the St. Louis National league club  
to play goose to the New York Nation-  
al league club's fox. Is Manager Roger  
Bresnahan of the Cardinals going to  
make himself the laughing stock of  
all sportsworld because Johnny  
McGraw wants him?

These questions are asked by base-  
ball fans, east, west, north and south,  
following the widely-told story that  
Konetchy for a couple of men who are  
not good enough for the Giants.

If this statement is founded upon  
fact, I cannot help think one of two  
things: Either every effort is being  
made to strengthen the Giants at the  
expense of other clubs, or that Bresna-  
han is minus some of his buttons.

Ed Konetchy is, barring Hal Chase  
and Frank Chance, the best first base-  
man in the game today. And he is  
improving all of the time. Another

year or two ought to find him on even  
terms with "Wonderful Hal," as they  
call Chase in New York.

With Konetchy as a keystone, Bresna-  
han ought to be able to build up a  
winner for St. Louis, and give that  
city a new sensation, but if Roger, in  
his wisdom, is going to make a fall  
guy out of himself, because of some  
fancied indebtedness to McGraw, the  
quicker the public learns the truth the  
better.

The trading of Mergle and another  
infielder for Konetchy is a big laugh.  
If Stanley Robinson and Roger Bresna-  
han are permitted to let their bright-  
est star slip out of their hands in ex-  
change for a couple of ordinary play-  
ers and let the St. Louis fans hold the  
bag while the Giants profit, it is hoped  
the fans will show their disapproval  
in no uncertain manner, and let these  
men understand they appreciate  
the sort of a deal being handed to them.

**WELCH WINS  
OUT OVER  
SUMMERS**

London, Nov. 8.—Freddie Welch  
won the decision tonight for Johnny  
Summers, in a 20-round contest for  
the lightweight championship of Eng-  
land. Welch forced the fighting from

the very start and was never in dan-  
ger. He finished the last round strong-  
er and faster than the first. Lord  
Lonsdale presented the winner with a  
gold and diamond belt. The fight took  
place before the National Sporting  
Club and Welch ruled a slight favor-  
ite.

## OUTLAW STATE TO ENTER THE FOLD AGAIN

Plans Now Being Discussed  
for the Entry in Association  
of Minor Leagues of Califor-  
nia State League.

Memphis, Tenn., Nov. 8.—Plans for  
the admission of the California State  
League, an outlaw circuit, to the Na-  
tional Association of Minor Leagues,  
was the result of the first day's ses-  
sion of the National Board of Arbitra-  
tion today. The board spent the en-  
tire day discussing the terms under  
which the Californians would be ad-  
mitted in the fold of organized base-  
ball.

J. H. Farrell, secretary of the Na-  
tional Association and Frank Herr-  
man, president of the California State  
League, were appointed to draw up  
the agreement under which the new  
league is to be admitted. This agree-  
ment will be submitted to the National  
Board, and if approved by that body,  
it will then go before the entire Na-  
tional Association for final action, prob-  
ably tomorrow.

**Held Conference.**  
J. Gale Wing, president of the Pacific  
Coast League and Mr. Herrman  
held a conference before the question  
went before the National Board. It  
was decided that the new league  
would share three cities with the Pacific  
Coast organization. Non-conflict-  
ing schedules will be arranged and  
San Francisco, Oakland and Sacra-  
mento will have two teams each as  
a concession to get the Californians in  
the fold. This agreement was ap-  
proved by the board.

The title to 61 players who are un-  
der contract to, or on the reserve lists  
of some national agreement club, and  
went with the California State League  
while it was an outlaw organization,  
will be decided later. Of these play-  
ers, now in the newly admitted league,  
Brooklyn has a hold on Pitcher Strick-  
land of San Jose and Thirdbaseman  
Sheehan of Oakland; Pittsburgh has a  
reserve claim on Firstbaseman Nealon  
of Oakland and the New York Nation-  
al team wants Firstbaseman Pyl of  
Stockton.

The National Board will resume its  
session and the entire National Asso-  
ciation will meet tomorrow.

**Another Contract.**  
Ottawa, Nov. 8.—The Minister of  
Trade and Commerce has signed a  
contract with the Canadian Pacific Co.  
for the continuance for another year  
of the steamship service between St.  
John, Halifax and Liverpool. The  
terms of the contract are practically  
the same as those at present. Ten  
round trips a year is to be made and  
the subsidy is \$15,000 per trip.
