St. John's, 12; Marathons, 5. In the league game on Saturday afternoon on the Marathons grounds, the game was called after the end of the seventh inning to allow the Woodstock team to catch a train and at this stage the St. John's had the visitors hopelessly beaten by a score of 12 to 5.

The St. John's played a fast game of ball and had it all over the visitors at every stage. In the seven innings played the Woodstock team used no less than three pitchers and the St. John's made 11 hits of them for a total of 14 bases. Ford pitched eight innings against Woodstock and his work was very steady, eight hits being made off him.

A stolen base and a two base hit by Allen gave Woodstock one run in the first inning. The feature was the home plate, off Warwick 1, St. John's bases, Wilder, Parquette, Hit by pitched ball, Black (2), Wilder. Umpires, D. Connelly and G. Stubbs. Score: St. John's, 12; Marathons, 5. In the fourth inning the Woodstock team was blanked while St. John managed to get four men across the plate. Every man on the team was to bat. Two two baggers and a single and three bases on balls were made off Warwick and were responsible for the runs.

In the fifth inning two singles, an error and a man hit by pitched ball gave Woodstock two runs and the St. John's in this inning had no less than 11 men to face the pitcher.

After a single had been made by Warwick he was taken out and Stenson put in the box. This did not stop the St. John's for they made five singles and a man hit by pitched ball.

Calais 11; Marathons 2. Special to The Standard, Calais, Me., July 15.—The Marathons of St. John were no match for the Calais team in the N. B. and Maine League game this afternoon, the visitors losing out by a score of eleven to two. Although the ball was hit freely on both sides, Calais had the best end of the clean hits, bunching their wallops when they had men on bases. The costly errors behind Sweet, the Marathons twirler, cost them nine runs. The feature was the heavy hitting of Donnelly and Lynch for the

gles and a two base hit off his delivery and these with error gave the Marathons seven more scores. Stenson was taken out of the box and Urquhart pitched the remaining two innings and was not found for a hit. An error, a single and a two bagger in the 6th inning gave Woodstock two runs. Keaney, the Woodstock shortstop, was jeered at by the fans in the first inning for dirty playing. Keaney was running from second to third when Keaney deliberately caught him about the wrist and threw him down, tearing his trousers and cutting his leg. The runner was allowed the base by the umpire. The following is the box score of the game:

Marathons and Neptune, Johnston, lsb, and Watt for Calais. Manager Donald entered a protest in the seventh on account of a block ball contending that Fraser, who was running third, should have been allowed an extra base which meant, in this instance, a score as the home plate, the instance occurring when Watta throw to Cobb went into the crowd.

The umpire's decision held the runner to third, which was right on account of the ground rules which were passed ball over third to the crowd or behind home plate all the bases that can be got. In this instance if Fraser had kept on running to the plate he would have scored, but he hesitated and lost his chance himself. The following is the box score and summary:

SATURDAY'S LACROSSE RESULTS

Montreal, July 15.—Nationals showed themselves to be dangerous contenders for this year's championship of the National Lacrosse Union today when they defeated the Shamrocks by 12 to 5, quite as decisive a beating as was earlier in the season administered to the Irish by the Montreal team at the Montreal grounds. The French Canadian team, which, with one exception, is the same as that which won the last year's proved altogether too fast, tricky, and experienced for the Irish twelve, which contains a number of youngsters unused to senior company. Ottawa, July 15.—The Cornwall team defeated the Capitals today, settling the question as to which team would take the senior position in the National Lacrosse Union standing. The final score was 9 to 2. Neither team had yet won a game, it being their first meeting of the season. All the other teams in the league have easily defeated Cornwall and Capitals. Toronto, July 15.—Interest was added to lacrosse situation today when the Montreal twelve gave the Tecumseh their first beating of the season. The result leaves the question of who will take the championship this year more than ever in doubt, as Toronto, Tecumseh's Montreal and National have now each lost a game.

FREDERICTON WINS.

Special to The Standard, Fredericton, N. B., July 16.—Fredericton defeated Moncton 12 to 2 in their second game on Saturday afternoon. Fredericton played an errorless game while the local nine's ten errors were costly and tell the tale. The box for the visitors and gave the locals 9 hits, while Fredericton got ten hits off McKie. The score by innings was as follows: Fredericton, 00010010—12; Moncton, 00000100—2.

CHANGE your brand for once—try the Scotch Whiskey that deserves its high reputation.

At all dealers. BUCHANAN'S. The result came somewhat as a surprise on their last visit here, two weeks ago. Montreal were defeated 8 to 2, by a Toronto team considerably inferior to Tecumseh's. Today's score was also 8 to 2, the game being a good exhibition. Both sides had their strongest line up on the field. New Westminster, B. C., July 15.—In a rough game of lacrosse the New Westminster team today defeated the Vancouver team by nine goals to two. The visitors were outplayed throughout. Vancouver registered two penalties, one against the officials, whom they said were not regularly appointed and one against Ernie Murray who played with the local Vancouver for the first time and whom Vancouver claimed was ineligible.

THE RISE OF GREAT JOE JACKSON

"Joe" Jackson, the wonderful right fielder of the Cleveland American League baseball team, is a product of the South Carolina cotton mills, on the teams representing which mills he played prior to the discovery by one of "Connie" Mack's scouts that the bare-footed boy was of big league calibre. "Ossie" Schreckengost, the former Athletic catcher, who became famous as the receiver of the erratic "Rube" Waddell when the big left hander was in his prime, was the scout who South Carolinians say found Joe Jackson. Jackson at that time was playing on the Greenville, S. C., team, and was its best batsman and leading run getter. He went to Greenville to look for a career on the Piedmont and Molhohn Mills teams of the Piedmont section of South Carolina. It was while with the Piedmont mills outfit that the manager of the Greenville team, who had been in the big league for many years, and what he knew about reading and writing could be put in the left hand corner of a primary school slate according to Jackson's Carolina admirers.

Down in Newberry, S. C., where is located the Molhohn Mills factory, it took three railroad trips to get Jackson to Philadelphia, where he played for a brief period last year with the Philadelphia Athletics. At this time the boy had never been in a city of more than 50,000 population, and it is said that he was more than a little afraid of the big town. The Athletics' scout on the first attempt to get Jackson north, succeeded in plotting the big league team's arrival in the city. He was so successful that he was slugging out three baggers and home runs for the home folks' team as of old.

A few days passed and the Athletic scout returned to find out why Joe had given him the slip in Charlotte, he was laughingly told him the reason of it all, and after much persuasion he finally consented to start a second time for the Quaker City. The second trip was a little more successful than the first one, according to Jackson's Carolina admirers, that the cotton mills fielder got about 200 miles near to his destination than on the first trip. They say he kept his nerve until he was somewhere in Virginia, and then the memories of the big smoke stacks and the cotton fields back in Piedmont got in his way. The end of the story was similar to that of the first, for two days later Joe was back in Piedmont telling the boys all about it and gleefully exclaiming how glad he was to be back in the home county again. A third time the scout appeared and had more heart-to-heart talks with Joe, and once more Joe consented to emigrate to the Pennsylvania metropolis. This time he went all the way and he played a few games with "Connie" Mack's team, and he did fine work and everybody was surprised when "Connie" Mack let Cleveland get him last spring. Now "Connie" Mack could not get him back again for a price.

This is the story they tell around the Molhohn cotton mills of the departure for the big league of Joe Jackson of the Carolinas. Before the boy got to playing ball for money, they say he never wore shoes except in bitter cold weather. "Shoes were an abomination to him in the old days," an admirer of the Cleveland right fielder said the other day in South Carolina everybody is watching the career of Joe Jackson and every baseball fan in the state is watching with pride the career of the brilliant young player.

Every cotton mill in South Carolina has a ball team and in the Piedmont country there's still a lot of good league material, but whether any of it is as good as Joe is, no one can tell. But the big league scouts are looking out for promising youngsters all the time. It might be added that Tyne Cobb, the great Detroit fielder, came from the Augusta, Ga., country, which is only a short journey from the scenes of Joe Jackson's boyhood.

SOME BASEBALL NOTES OF INTEREST TO THE FANS

THE DEFEAT OF THE MARATHONS

The defeat of the Marathons in Calais on Saturday made pockets light and hearts heavy in several quarters in the city. In spite of the fact that the Calais team has so far had it over everything in the league, there were many who believed the Greeks would do things to them. The game has been protested, and if played over again, as it will be if the protest holds, the Marathons should do much better.

JOE PAGE'S ST. JOHN'S ARE COMMENCING

Joe Page's St. John's are commencing to look like a real ball team. They won handily from the Woodstock team on Saturday and if they should be able to do the same in Calais on Tuesday next, they would almost own the town. Last night Manager Charlie Allen, of Woodstock, telephoned Joe Page and offered to trade three of the Woodstock men for a St. John infielder. Carleton county offered a catcher, a pitcher and an outfielder, but there was nothing doing. Happy lot, of the Calais team also wants the same infielder, but Manager Page is satisfied to make no change in that particular position, and in this he is wise for the player in question is one of the fastest seen on the local diamond this year. Page also has a letter from one of the big league clubs asking if he has any good material available for faster company, but it is a cinch that he will not allow any of his present men to go.

MANAGER DONALD, OF THE MARATHONS

Manager Donald, of the Marathons left on Saturday evening for Montreal accompanied by George Winter, captain of the team. They came to meet Adam from Calais and there went on to Montreal. Capt. Winter is on his way home to Burlington, Vermont, to see his wife who is ill, while Manager Donald will look them over in Montreal. Winter will join him there and they will be back in time for the game on Tuesday with Fredericton. The Fredericton team will be the best attraction for the Marathons grounds. They will be here for the league game on Tuesday when they meet the Marathons, and it should be a great fight for the honor. Fredericton has a better team now than at any time since the opening of the league while the check to the Marathons' winning streak which Calais administered on Saturday has only served to make them more anxious. There will be no snafus or questionable decisions on the part of the umpires on Tuesday and at present it looks as if they would give the capital players a hard run.
