

# UNVEILS TABLET IN MEMORY OF UNITED EMPIRE LOYALISTS

### Mayor Frink Officiates at Ceremony in Trinity Church Under Auspices of Loyalist Chapter of Imperial Order of Daughters of Empire—Rev. Dr. Raymond in Strong Address.

In Trinity church, yesterday morning at the regular service, an interesting ceremony took place when a memorial tablet, a tribute to the memory of the United Empire Loyalists, was unveiled. The ceremony was brief, but none the less interesting, being performed by His Worship Mayor Frink. The rector of the church, Rev. R. A. Armstrong, made a brief reference to the appropriateness of the memorial, and a special sermon was delivered by Rev. Dr. Raymond, chaplain of the Loyalist Society.

The tablet which occupies a prominent position on the south wall of the church, is of bronze, mounted on oak, rectangular in form and measures 20 by 25 inches. The tablet is a gift of the Loyalist Chapter Imperial Order of the Daughters of the Empire, and was unveiled under their auspices. The ceremonies were attended by a large congregation.

Rev. R. A. Armstrong referred to the appropriateness of a tablet to commemorate the devotion to God and King of the Loyalists. It would be an inspiration to old and young. He then called upon Mayor Frink, who unveiled the tablet. The tablet bears the following inscription:

To the Glory of God and in memory of United Empire Loyalists who Faithful alike to God and Their Kings Sacrificed in the Call of Duty Their Homes in the Older Colonies and Landing on Our Shores May 18th, 1783, Became the Fathers of the City of St. John This Tablet is Erected by the Loyalist Chapter of the Imperial Order of the Daughters of the Empire September, 1913 To Keep in Remembrance Their Heroism and Devotion.

Rev. Dr. Raymond delivered an eloquent sermon, reviewing the story of the Loyalists arrival here, their fights against suffering and privation, and their great faith and devotion.

Rev. Dr. Raymond took as his text the words: "We have thought of Thy loving kindness, O God, in the midst of Thy temple." (Psalm 48.)

The hand of God in history is a subject which appeals to every reverent mind. Rev. Dr. Raymond said, and history is forever repeating itself. The parallel between the dealings of God with his people of old and with his people today has often been noted by the students of His holy word.

The words of his text, the speaker said, were chosen from a psalm of thanksgiving for national deliverance. "Out of weakness the Jews were made strong." Senacherib's host might seem mighty in its strength, and its onslaught irresistible, but Isaiah delivers the message of confidence and reassurance and the nation is marvellously delivered. "Lo, the kings were assembled, they passed by together. They saw they marvelled, they were troubled and hastened away."

"Today," the speaker said, "we are assembled in a service which is really a service of thanksgiving, and we would say in the words of the Psalmist, 'We have thought of Thy loving kindness, O God, in the midst of Thy temple. Let Zion rejoice, let the daughter of Judah be glad. Walk about Zion, tell the towers thereof. Mark well her bulwarks, set up her house that ye may tell it to them that come after.'"

The tablet which had been unveiled, the speaker continued, speaks of the founders of our city as faithful to God and king. With all their faults and failings they were a God fearing race. The towers they erected were not for defence from an invading foe, for the time for fighting for them was past. The towers were henceforth to be emblematic of peace, the heaven directing spires of churches.

It is a cause for thankfulness, the speaker said, that the city of the Loyalists has her devoted and brave men. It would be a cause for still greater thankfulness if every one who lives beneath the shadow of these spires could in the spirit of the builders exclaim: "The God of our fathers is our God forever. He will be our guide even unto death."

He then drew a word picture of the arrival of the "fall feet" on our shores, some twenty vessels containing thousands of persons, for the most part officers and men of the Loyalist regiments that had served during the war on the side of the king. They were accompanied by their wives and children and were under the command of Col. Hewlett and Lt. Col. DeVeber, of the De Lancy Brigade.

During the first year they were in their adopted country, the suffering and privations which they were forced to endure were great, but they displayed through all their hardships a magnificent courage.

At the time of the revolution there were men, brave and honest, in America who were proud of their citizenship in the great British Empire, and who had no desire to shirk the burden of maintaining it, who remembered

#### WHAT IT MEANS.

According to Worcester's dictionary, satisfaction means "the state of being pleased, contentment, comfort." We know of no way to reach this enviable state quicker or more completely than by sitting in front of an open fire of our Broad Cove coal, or good dry hard wood, granting of course, that you have laid in a supply of equally good hard coal for the long winter ahead. The Consumers Company can supply your every need in this respect and it is their aim to make each load of coal a load of satisfaction as well. the best and ablest men in America, and they contended for an ideal that is better appreciated as the years pass. Moses Tyler of the University of Cornell, an impartial student of American history, says that even in argument the side of the Loyalists was not a weak one, and in motive and sentiment not a base one, and in devotion and self sacrifice not an unheroic one. Concluding, the speaker said, that it was largely the spirit of the Loyalists perpetuated in their descendants which has consolidated British power on the northern part of this continent, and built up the Canadian Dominion which in another century will probably contain a hundred millions of people.
