

ST. JOHN BOY IS WOUNDED FOUR TIMES

Lance Corporal Ingram Again in Hospital - Father Listed Here Yesterday - Another Son at Front.

William Lewis Ingram of 27 Meadow street, received a telegram from Ottawa last evening announcing that his son, Arthur, had been wounded in France.

The telegram read: "Sincerely regret to inform you 69546, Lance Corporal Arthur Edward Ingram, officially reported wounded Jan. 16. Nature of wounds not stated. Will send further particulars when received."

"O.I.C. Record Office."

The news was especially unwelcome as Lance Corporal Ingram had been wounded three times previously and had been in English hospitals. He returned to the firing line just after Christmas. Only this week his parents received a letter from him stating that he was well. He enlisted here in the 26th Battalion and has many friends in the city.

A brother, Leonard G. Ingram, went overseas with Col. Fowler's 104th Battalion. Yesterday the father enlisted in the Construction unit.

The family is certainly doing its part to defend the Empire and the regret is general that Lance Corporal Ingram should have had the misfortune to be wounded again.

PERMANENT BRIDGES IN PROVINCE

Important Conference Between Hon. B. Frank Smith and Structural Superintendents.

Fredericton, Jan. 30. - Fourteen structural superintendents conferred here today with Hon. B. Frank Smith, Minister of Public Works. The superintendents talked over the question of permanent bridges for the province with the minister and the consensus of opinion was that it is desirable to get away from the wooden bridge system and build permanent steel structures. As a result of the conference excellent results and improved bridges are anticipated.

The conference was called by the Minister of Public Works for the purpose of securing information on work that is to be taken up by the department in this province and what has already been accomplished during the past few years. This morning's session was taken up entirely with receiving reports from various superintendents on work in their respective counties.

Structural superintendents who were here for the meeting were Supt. Goulette, Restigouche; Daniel Landon, Gloucester; D. Desmond, Northumberland; Peter Bernard, Kent; E. P. Hoare, Westmorland; A. W. Carland, Albert; Mawhinney, St. John; Edward Erb, Kings; William Howe, Queens; Joseph Noble, Sunbury; R. A. Logan, York; D. W. Jackson, Carleton; Harry Boon, Victoria, and F. M. Cawley, of Charlotte.

They Made Him A Different Man

What B. Draper Says of Dodd's Kidney Pills.

His Troubles Were Numerous and of Long Standing, But Four Boxes of Dodd's Kidney Pills Drove Them All Away.

Sedley, Sask., Jan. 30. - (Special.) - "Dodd's Kidney Pills made me a different man." The speaker was Mr. Benjamin Draper, well known and highly respected here. He is a fine healthy representative of the prairie provinces and he says he owes his health to Dodd's Kidney Pills.

"I was in bad shape all round when I started to use Dodd's Kidney Pills," Mr. Draper continued. "My trouble came from hard work when I was young. My joints got stiff, my muscles cramped and I suffered terribly from a sore back. I was depressed and low spirited. I was always thirsty and I had flashes of light before my eyes.

"I had rheumatism and heart fluttering, my appetite was fitful, my memory was falling and I was troubled with shortness of breath. Four boxes of Dodd's Kidney Pills made me a new man."

Dodd's Kidney Pills cured all Mr. Draper's troubles because they all came from sick kidneys. If you have any of his symptoms Dodd's Kidney Pills will help you.

The Folly of Taking Digestive Pills

A Warning to Dyspeptics.

The habit of taking digestive pills after meals makes chronic dyspeptics of many thousands of men and women because artificial digestants, drugs and medicines have practically no influence upon the excessively acid condition of the stomach contents which is the cause of most forms of indigestion and dyspepsia.

The after dinner pill merely lessens the sensitiveness of the stomach freedom from pain. If those who are subject to indigestion, gas, flatulence, nervous and thus gives a false sense of belching, bloating, heartburn, etc., after eating would get about an ounce of pure bisulphate of magnesia from their druggist and take a teaspoonful in a little water after meals, there would be no further necessity for drugs or medicines because bisulphate of magnesia instantly neutralizes stomach acidity stops food fermentation and thus insures normal, painless digestion by enabling the stomach to do its work without hindrance.

DYSPEPSIA MOST DIFFICULT TO CURE BUT B. B. B. DOES IT

Dyspepsia is one of the most difficult diseases of the stomach there is to cure.

You eat too much; drink too much; make the stomach work overtime. You make it perform more than it should be called on to do. The natural result is that it is going to rebel against the amount of work put on it. It is only a matter of time before dyspepsia follows.

That forty-year-old remedy, Burdock Blood Bitters, will cure the dyspepsia, and will cure it to stay cured as we can prove by the thousands of testimonials we receive from time to time.

Mr. Nell A. Cameron, Kiltarity, N. S., writes: "I am writing you a few lines to tell you what your great medicine Burdock Blood Bitters has done for me. I was troubled very much with dyspepsia for the past two years. I was recommended all kinds of medicines, but they did not help me any. At last a friend advised me to try a bottle of B.B.B. I took four bottles and was totally cured. I will gladly recommend it to all sufferers." B.B.B. is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

What B. Draper Says of Dodd's Kidney Pills.

His Troubles Were Numerous and of Long Standing, But Four Boxes of Dodd's Kidney Pills Drove Them All Away.

Sedley, Sask., Jan. 30. - (Special.) - "Dodd's Kidney Pills made me a different man." The speaker was Mr. Benjamin Draper, well known and highly respected here. He is a fine healthy representative of the prairie provinces and he says he owes his health to Dodd's Kidney Pills.

"I was in bad shape all round when I started to use Dodd's Kidney Pills," Mr. Draper continued. "My trouble came from hard work when I was young. My joints got stiff, my muscles cramped and I suffered terribly from a sore back. I was depressed and low spirited. I was always thirsty and I had flashes of light before my eyes.

"I had rheumatism and heart fluttering, my appetite was fitful, my memory was falling and I was troubled with shortness of breath. Four boxes of Dodd's Kidney Pills made me a new man."

Dodd's Kidney Pills cured all Mr. Draper's troubles because they all came from sick kidneys. If you have any of his symptoms Dodd's Kidney Pills will help you.

Men and Women to Attend Short Courses in Agriculture

Free Courses in Agriculture

will be given at different points in New Brunswick during the months of February and March 1917, as follows:

AGRICULTURAL SCHOOL, SUSEX, February 5th to 13th, inclusive.

CHEESE AND BUTTER MAKERS' COURSE, February 12th to 24th, inclusive.

AGRICULTURAL SCHOOL, WOODSTOCK, March 12th to 16th, inclusive.

CHATHAM, March 19th to 23rd, inclusive.

The aim will be to make each course as practical as possible and also meet local conditions.

This, it is hoped, will go far to insure a full attendance.

As the courses will be short those who purpose attending are urged to make a strong effort to enter at the beginning and remain throughout the course.

But if you cannot arrange to be in attendance during all of a course, don't let this prevent you from being present as much as possible.

The only expenses you will incur are for board and your railway fare at reduced rate. Purchase a single first-class ticket and secure a Standard Certificate from the Ticket Agent. Railway fares amounting to \$2.00 or over will be refunded by the Department of Agriculture.

As each course will be adapted to the conditions of the section to the province in which it is held, separate programmes, for the different courses are being prepared
