## CROSS, FEVERISH CHILD IS BILIOUS OR CONSTIPATED

Look, Mother! See if tongue is  
coated, breath hot or  
stomach sour.

"California Syrup of Figs"  
can't harm tender stomach,  
liver, bowels.

Every mother realizes, after giving  
her children "California Syrup of  
Figs," that this is their ideal laxative,  
because they love its pleasant taste  
and it thoroughly cleanses the tender  
little stomach, liver and bowels with-  
out griping.

When cross, irritable, feverish, or  
breath is bad, stomach sour, look at  
the tongue, mother! If coated, give a  
teaspoonful of this harmless "Fruit  
Laxative," and in a few hours all the  
foul, constipated waste, sour bile and  
undigested food passes out of the  
bowels, and you have a well, playful  
child again. When the little system  
is full of cold, throat sore, has stom-  
ach-ache, diarrhoea, indigestion, colic  
—remember, a good "Inside Cleanse-  
ment" should always be the first treatment  
given.

Millions of mothers keep "California  
Syrup of Figs" handy; they know a  
teaspoonful today saves a sick child  
tomorrow. Ask your druggist for a  
bottle of "California Syrup of Figs,"  
which has directions for babies, chil-  
dren of all ages and grown-ups printed  
on the bottle. Beware of counterfeits  
sold here, so don't be fooled. Get  
the genuine, made by "California Fig  
Syrup Company."

## WEDDINGS.

McCutcheon-Macaulay.  
A very pretty wedding was solemn-  
ized at the home of Mr. and Mrs.  
James Macaulay, 112 Orange street,  
on Monday evening when their daugh-  
ter, Miss Edna Macaulay, was united  
in marriage by Rev. H. A. Godwin, to  
James William McCutcheon of this  
city. They were the recipients of  
many beautiful and useful gifts, in-  
cluding a substantial cheque from the  
groom's parents, Mr. and Mrs. John  
J. McCutcheon; and a set of cutlery  
from the King street staff of Water-  
bury & Haining, Limited. After the  
ceremony supper was partaken of by  
the guests. Mr. and Mrs. McCutcheon  
will proceed to Halifax, where they  
intend to make their home.

Elliott-Hipwell.  
A quiet wedding took place last  
evening in the Portland Methodist  
Church Parsonage, when William Allen  
Hipwell, a trainman on the Cana-  
dian Pacific Railway, was united in  
marriage to Edith Elliott, of 100 Vic-  
toria street, daughter of Mr. and Mrs.  
John Elliott. The ceremony was per-  
formed by Rev. Niel Macaulay, in the  
presence of a few friends. Mr. and  
Mrs. Hipwell will reside in the city.

## OBITUARY

Mrs. James Creary  
The death took place at an early  
hour yesterday morning at her resi-  
dence, 104 Lanesdown avenue, of Mary  
A. Creary, wife of James Creary, and daugh-  
ter of John and Alice Connolly. She  
leaves to mourn her husband and her  
parents. Burial will take place on  
Thursday morning at 8.45 o'clock.

## FUNERALS

The funeral of Mrs. George Diggs  
took place yesterday afternoon from  
St. Philip's church. Service was con-  
ducted by Rev. W. H. Pinkett, and in-  
terment was made in the Methodist  
burying ground.

The funeral services of the late C.  
Albert Belyea were conducted at his  
late residence, 142 Adelaide street, by  
the Rev. L. W. Williamson on Monday  
evening. The body was taken to  
Long Reach yesterday for burial at the  
St. James' church cemetery.

## NOSE CLOGGED FROM A COLD OR CATARRH

Apply Cream in Nostrils To  
Open Up Air Passages.

Ah! What relief! Your clogged  
nostrils open right up, the air pas-  
sages of your head are clear, and you  
can breathe freely. No more hawk-  
ing, snuffling, mucous discharge, head-  
ache, dizziness—no struggling for  
breathing, night, your cold or catarrh  
is gone.

Don't stay stuffed up! Get a small  
bottle of Ely's Cream from your  
druggist now. Apply a little of this  
fragrant, antiseptic cream in your  
nostrils, let it penetrate through  
every air passage of the head, soothe  
and heal the swollen, inflamed mucous  
membrane, giving you instant relief.  
Ely's Cream Balm is what every cold  
and catarrh sufferer has been seek-  
ing. It's just splendid.

"I always knew that thirteen was  
an unlucky number. Clarke of the  
fifth form gave a grand supper in the  
dormitory the other night and there  
were just thirteen at the spread."  
"Well, what happened?"  
"What happened? Why, I wasn't in-  
vited!"

PORT OF ST. JOHN.  
March 5, 1919.  
Arrived Monday.  
Coastwise—S. S. Grand Manan, 177.  
Hercy, Westport, Salem, Grand  
Annapolis, Royal.  
Cleared.  
S. S. War Wolf, 4,278; Evans, sealed  
orders.  
Coastwise—Stur Granville, 60, Col-  
lins, Annapolis Royal.  
Sailed.  
Stur Changinola and War Wolf,  
for British ports, with general car-  
goes.

Will Arrive Today.  
The S. S. Manchester Brigade is ex-  
pected to enter port this morning. Dur-  
ing her last trip to this port a mem-  
ber of the crew, Samuel Hasse, was  
murdered in West St. John, and three  
important witnesses for the trial are  
aboard the ship on this voyage.

Sailed Yesterday.  
Only two vessels sailed from this  
port yesterday, the C. P. O. S. War  
Wolf with a full cargo of flour, sailing  
under sealed orders, and the Anchor  
liner, Changinola, laden principally  
with meats, for a British port.

Empress of Britain.  
It is expected that the admiralty  
ship, Empress of Britain will sail to-  
morrow direct for Liverpool with pas-  
senger mails and a large cargo.

Steering Gear Disabled.  
Halifax, March 4.—With her steer-  
ing gear disabled, the American steam-  
er Katrina Luckenbach arrived here  
this afternoon under her own steam.  
The steamer, which will repair here,  
sailed from New York February 25th  
with cargo for Boston.

Laplant Was Mined.  
The Lapland, which arrived at Hal-  
fax Saturday, has carried many thou-  
sand Canadian troops across the Atlan-  
tic. She is in command of Captain  
J. B. Braden, who has been master of  
her for seven years. During the sub-  
marine campaign she escaped remark-  
ably well, but was mined on one trip  
when she was in command of Captain  
J. B. Braden. Her bottom was broken  
open, but she reached port safely,  
without the loss of life. After being  
under repairs for two months, she  
once again resumed her work of carry-  
ing Canadians across.

Appellate Driven Ashore.  
The Purcell Line steamer Appellate,  
bound for St. John, N.B., was driven  
ashore at Whites Point by the ice  
pack early yesterday. The entire east  
coast is blocked by an ice jam, and  
nothing can be done to relieve the  
Appellate until a change in the wind  
opens the floes. Whites Point is 20  
miles south of St. John's.

Fish Boat Strike.  
Owing to the strike on the steam  
trawlers at Gloucester and Boston, the  
Fishermen's Union, of Clark's Harbor,  
has warned Nova Scotians not to har-  
bor over there just now, as they will  
likely have to wait for some time be-  
fore they can get berths on the fish-  
ing vessels.

Drivelled Sighted.  
The derelict schooner Charlevoix  
was passed on Feb. 24 by the steamer  
New York, 200 miles east of Cape  
Canaveral, Florida. The derelict was  
only kept from sinking by the lumber  
in her hold, the decks being awash  
and the after cabin only four feet out  
of water. The captain refused to  
leave when the other members of the  
crew were taken off, but has since  
been taken off the derelict and landed  
safely.

## How Fat Actress Was Made Slim

Many stage people now depend  
entirely upon Marmola Prescription  
Tablets for reducing and controlling  
fat. One clever actress tells us that she  
reduced two to four pounds a week  
by using this new form of the famous  
Marmola Prescription and now, by  
taking Marmola Tablets several times  
a year, keeps her weight just right.  
All druggists sell Marmola Prescrip-  
tion Tablets at 75 cents for a large  
case. Or you can get them by send-  
ing price direct to the Marmola Co.,  
864 Woodward Ave., Detroit, Mich.  
If you have not tried them do so.  
They are harmless and effective.

## It takes a joint of beef to make a bottle of Bovril

Bovril contains the goodness of the beef.

THE vital elements that give beef its special  
place and value as a food are concentrated  
and stored in Bovril.

Just as the equivalent light of 32 candles is con-  
centrated in one electric lamp, so the vital elements of beef—  
of many pounds of beef—are concentrated in a single  
bottle of Bovril.

But Bovril is not merely a precious food in itself; it  
possesses the peculiar power of enabling you to extract  
more nourishment from other foods. This gives Bovril its  
wonderful body-building power, proved by independent  
experiment to be from 10 to 20 times the amount taken.  
Bovril, therefore, in the true sense of the word, is a Great  
Food Saver.

Always keep Bovril in the house.
