

to the Long Island Church, and one to the Church at Arthurette.

The Wicklow Church has had no pastor; but have been encouraged by visits from Revs. J. Noble and C. F. Rideout. They very much feel the loss of their senior deacon, the late Nathan B. Milbery, who for more than twenty years gave them sympathy and help.

The Church at Bath, though without a pastor, was considerably revived by the special meetings conducted by Rev. J. Noble. They also report visits from Rev. C. F. Rideout and Father Sipperell.

Wright Settlement has had no pastor for two years, and is in a low and scattered condition.

The Church at Bumfrau has had preaching by Rev. E. B. Gray, J. Noble and C. F. Rideout, who have visited them as they have had opportunity.

Bro. J. J. Barnes visited the Church at Mineral Springs, and found them very much discouraged.

Of the other Churches we can say but little; many of them have not reported for years. But let us pray that God may call more men to labor among the destitute Churches of this District.

Only four of the Churches have had pastoral care. Eight sustain conference meetings, and six hold weekly prayer meetings. Three have been added by baptism; total decrease, seven; net decrease, 4.
