Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, bekidneys, they become overworked; get distress, particularly backache and mis-ery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder oothers you, get about four ounces of Jad Salts from any good pharmacy; kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no onger irritates, thus ending bladder

disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithiawater drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus
