

Frank Leslie's Sunday Magazine,

For June completes the Seventeenth Volume, with a number of exceptional interest. The opening article is by the eminent traveler, Alvan S. Southworth, and entitled "Catholic Missions in the Far East," principally Farther India, China and Japan; the labors of St. Francis Xavier and his successors are graphically described. The article on "Bible History" tells of the conquest of Canaan under Joshua, and the history of the Israelites under the rule of the Judges. This article has twelve illustrations. Portraits and short biographical sketches are given of the three new English Bishops. The Sacred Musicians described are Madame Sainton-Dolby, who recently died, and Altou Kubinstein; and the Parables of Christ have reached their thirteenth number with "The Barren Fig-tree." Karjeon's story, "Love's Harvest," reaches an interesting point, and Mrs. Farnes's serial "What She Made of Her Life," progresses favorably. There are several very beautiful poems, and a varied and attractive miscellany, at 25 cents a number, or \$2.50 a year, postpaid. Published by MRS. FRANK LESLIE 59-55-57 Park Place, New York.

To Dyspeptics.

The most common signs of *Dyspepsia*, or Indigestion, are an oppression at the stomach, nausea, flatulency, water-brash, heart-burn, vomiting, loss of appetite, and constipation. Dyspeptic patients suffer untold miseries, bodily and mental. They should stimulate the digestion, and secure regular daily action of the bowels, by the use of moderate doses of

Ayer's Pills.

After the bowels are regulated, one of these Pills, taken each day after dinner, is usually all that is required to complete the cure.

AYER'S PILLS are sugar-coated and purely vegetable—a pleasant, entirely safe, and reliable medicine for the cure of all disorders of the stomach and bowels. They are the best of all purgatives for family use.

IT LEADS ALL.

No other blood-purifying medicine is made, or has ever been prepared, which so completely meets the wants of physicians and the general public as

Ayer's Sarsaparilla.

It leads the list as a truly scientific preparation for all blood diseases. If there is a lurking taint of Scrofula about you, **SCROFULA** AYER'S SARSAPARILLA will dislodge it and expel it from your system.

For constitutional or scrofulous Catarrh, **CATARRH** AYER'S SARSAPARILLA is the true remedy. It has cured numberless cases. It will stop the nauseous catarrhal discharges, and remove the sickening odor of the breath, which are indications of scrofulous origin.

"Hutto, Tex., Sept. 28, 1882."
ULCEROUS SORES "At the age of two years, one of my children was terribly afflicted with ulcerous running sores on its face and neck. At the same time its eyes were swollen, much inflamed, and very sore."
SORE EYES Physicians told us that a powerful alterative medicine must be employed. They united in recommending AYER'S SARSAPARILLA. A few doses produced a perceptible improvement, which, by an adherence to your directions, was continued to a complete and permanent cure. No evidence has since appeared of the existence of any scrofulous tendencies; and no treatment of any disorder was ever attended by more prompt or effectual result.

Yours truly, B. F. JOHNSON.
