Dear Sir: I received lately your beautiful catalogue, of garden and field seeds, and nursery plants. I should like to let you know that all the seeds purchased from you last year gave entire satisfaction. The alfalfa was a good stand by fall, the Red Clover did well and grew three feet the first season. Swede turnips were a large crop and very even in size. Cabbage, sown June 3rd, and singled out from good solid heads, weighing five to eight pounds each. The onions went about 250 bushels to the acre, and all were of uniform size, speaking highly of the strong and even germination of your seeds. Of the two potatoes, one pound of each, I had 48 pounds from each variety

all very even in size and absolutely free any disease. The ordinary varieties planted alongside were not nearly half so good a crop. I consider it will be a good plan to purchase at least some each year of reliable seed. All the tree seed I purchased from you did well.

Yours faithfully,
