

Summer Cottage at Port Dover, Ont.

You can build your Summer Cottage in a day.

Labor is a serious question this year. If you wait until you can have a builder you will probably do without a Summer Cottage.

It is not necessary to hire a builder. You can re-construct a Schultz Sectional House in a day. It has been built once at our factory and then taken down. Every piece is marked. If you can use a screw driver you can re-construct a Schultz Sectional House. Full instructions with each house.
