MEMORANDUM

March 7th, 1939.

For Mr. Pereira:

B-102-8

V. 2

With respect to the attached papers concerning Senator Wilson's request that dolls of the Princesses be brought to Canada to help to raise money for refugees, Council considered this matter, this morning, and I have been directed to inform you that the government hope that the project may be considered unnecessary, because of the unusually controversial nature of the subject.
