Madam,-

I beg to advise you that the Department has ordered from Lewis Bros., Montreal, to be shipped to your address one Quebec Heater, No. 5, together with the necessary pipes, zinc, coal scuttle and shovels, and the men asked to advise you when these goods are shipped.

You will be good enough to make the necessary arrangements for having these articles carted to the school-house, and the accounts for the same will be sent by the firm to you, to certify them and forward them to the Department, as well as your account for cartage of the stove.

Your obedient Servant,

Secretary.
