Mr. Gerald Hollingsworth,
Mallorytown, Ontario,

Dear Sir:

Reference is made to an application dated August 28, 1948, received at this office for the registration of aircraft CF-EDY under the name of Gerald Hollingsworth in a commercial category. From this application, it is presumed that you wish to change the registration from "private" to "commercial". Should this be so, it is not necessary to submit an application fee of \$5.00 nor the application. Therefore, please verify with this office.

Yours truly,

(S. Graham),
Superintendent, Air Regulations.
