## REASON NO4 WHY YOU SHOULD USE

# Red Rose

Because it is Economical.

Red Rose Tea is composed of what are known in the trade as "high-grown" Ceylon and Indian teas. These teas are grown at high altitudes on the mountain slopes, where the tea bushes grow more slowly and are more carefully cultivated than in the valleys, where the climate

High-grown tea is not only a finer quality, but contains much more tea juice or extract than valley-grown

This can be easily proved by comparing a drawing of Red Rose with any other tea. By doing so you will find that a pound of Red Rose Tea will spend as far as 11/4 to 11/2 lbs. of other teas.

The saving is most apparent in the Blue Label and better grades-buy a pound and make the test.

#### MEDICAL EXAMINER

Of the United States Treasury Recommends Pe-ru-na.

Other Prominent Physicians Use and Endorse Pe-ru-na,

DR. LIEWELLYN Jordan, Medical Examiner of the U.S. Treasury Department, graduate of Columbia College, and who served three years at West Point, has the following to say I Poruna:

"Allow me to express my grati-tude to you for the benefit derived from your wonderful remedy. One short month has brought forth a vast change and I now consider myself a well man after months of suffering. Fellow suf-ferers, Peruna will cure you."

A constantly increasing number of physicians prescribe Peruna in their practice. It has proven its merits so thoroughly that even the doctors have overcome their prejudice against so-called patent medicines and recommend it

to their patients. Peruna occupies a unique position in medical science. It is the only internal systemic catarrh remedy known to the medical profession to-day. Catarrh, as everyone will admit, is the cause of onehalf the disease which afflicts mankind. Catarrh and catarrhal diseases afflict one-half of the people of United States. Robert R. Roberts, M. D., Washington, D. C., writes:
