

Personal Gifts in Gold

14-kt. Gold unless otherwise mentioned

MOST of the articles shown on this page are just enough out of the ordinary to make them very acceptable gifts. The locket B225-511 is of especially pleasing design and is made to hold four photos.

The lorgnette mounts are furnished without the glasses, and any locket can be supplied with fob for \$5.00 extra.

An entwined script monogram adds much to the attractiveness of the article. The cost is 15 cents per letter on the smaller pieces and 35 cents per letter on the larger. Prices for other engraving will be found on page 112.

Illustrations are actual size.
