The Bullion Mining Co. have closed the sale of their property D 233 to a Toronto syndicate, the consideration being $30,000 in cash and 300,000 shares in the stock of the company, which is to be formed to work the property.

The capital of the new company is to be $1,000,000 in shares of the par value of $1 each.

The Bullion Company will now proceed to develop another property which they own close to the one just sold, and which is alleged to also have the Mikado lead running through it.

The transaction alluded to above should enable the company to pay a dividend to shareholders.
