

# The Wagon for Work and Wear

IS THE

**OUR WARRANTY**

We warrant our wagons to be well made, of good, thoroughly seasoned material and of sufficient strength to carry the weight our specifications say they will. Should any breakage occur within One Year from date of sale resulting from defective material or workmanship new parts will be furnished free of charge at the factory, provided the defective parts are returned for our inspection.

NEW-DEAL WAGON WITH TIP TOP BOX

## New Deal

Don't buy a wagon for your farm work until you have seen the "NEW DEAL" and have read the brief guaranteed details of its exceptionally strong construction. If the very best material that grows and painstaking care on the part of skilled mechanics count for anything, there can be nothing better than the

## New Deal Wagon

You don't buy a wagon for a season, but in the hope that it will be the "same old wagon" when the youngest on the farm is hoary with time. The NEW DEAL is designed to escape the wear and tear of all the friction that human skill can get rid of. And we have succeeded beyond all expectations.

## Baling Hay in a Profitable Way

Write for Booklet giving full description

## Dain Pull Power

## Hay Press

Pull power means that the plunger is drawn towards the horses—not pushed away from them. The step over is low down, which makes it easy for the horses. Capacity is therefore increased. Bales are delivered in front, and do not interfere with placing the Press in the most convenient position near the centre of the stack. Delivery of the bales in front keeps them out of the chaff and dirt and out of the way of the operator. Large Feed Opening makes the DAIN easy to feed. The Automatic Tucker insures neat, smooth, square-ended bales. The DAIN Hay Press being all steel, no difficulty is experienced by warping when exposed to the weather or swelling when in contact with damp hay. Steel Bed Reach connecting the power and press. Plunger Head and Draw Bar are steel. This also means, in addition to the above advantage, that its construction is such as will stand the heavy strain a Hay Press is subject to.

*The Dain Hay Press possesses many advantages by way of Construction, Ease of Operation, Low Cost of Maintenance.*
